VALHALLA
1972

Pat,
It has been a lot of fun
Spanish. It's been
fun knowing you.
Have fun this summer
& Good Luck in college and
in the coming years.
Buena Suerte y Adiós
Linda Izelove '73

Pat, Great to have
Pat - I'm so glad all this year.
glad I got to know Pat Rutherford
you in Mr. Bahnson's Good luck in class
class. I will always Luck Always
remember our very Janice Bahnson '73
poor attempt at
building a fire, "cave
man style" and
also our "high
school religion"
Good luck

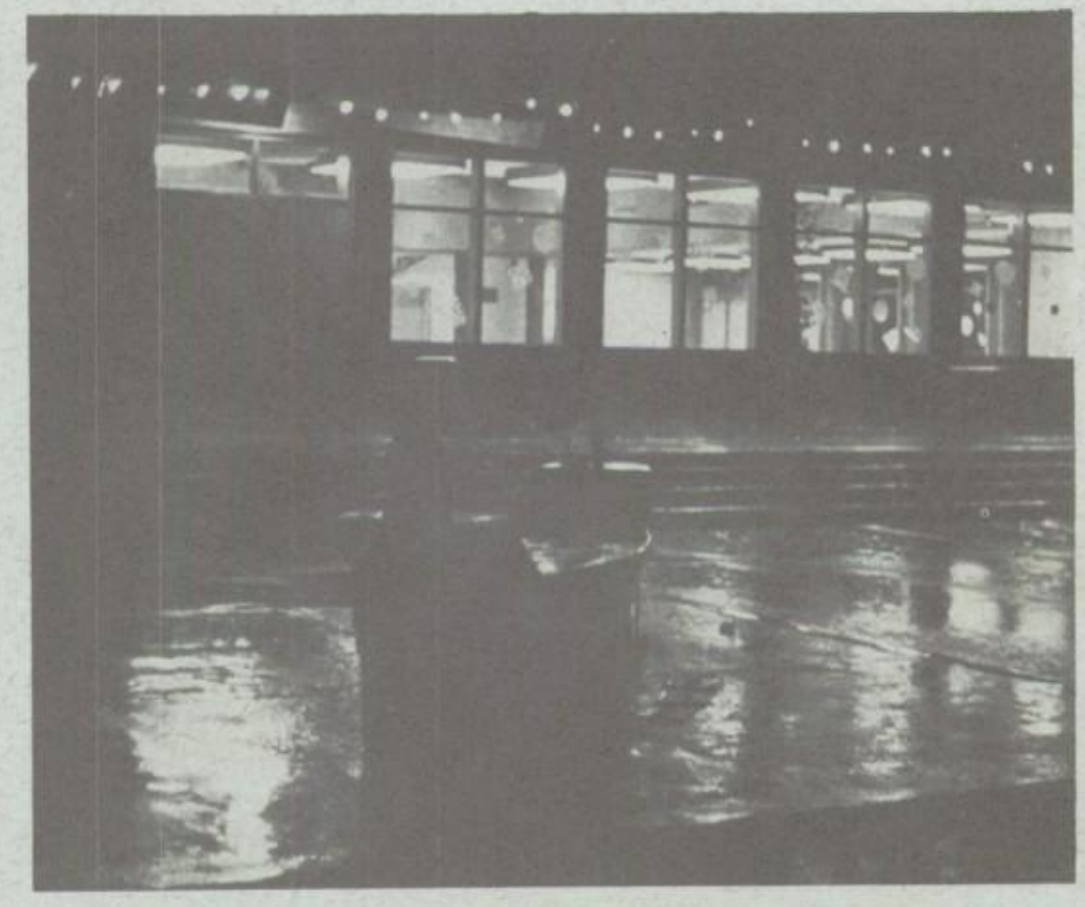
You are
deserving
for writing
a thoughtful
way of
things. I
about you
inspire

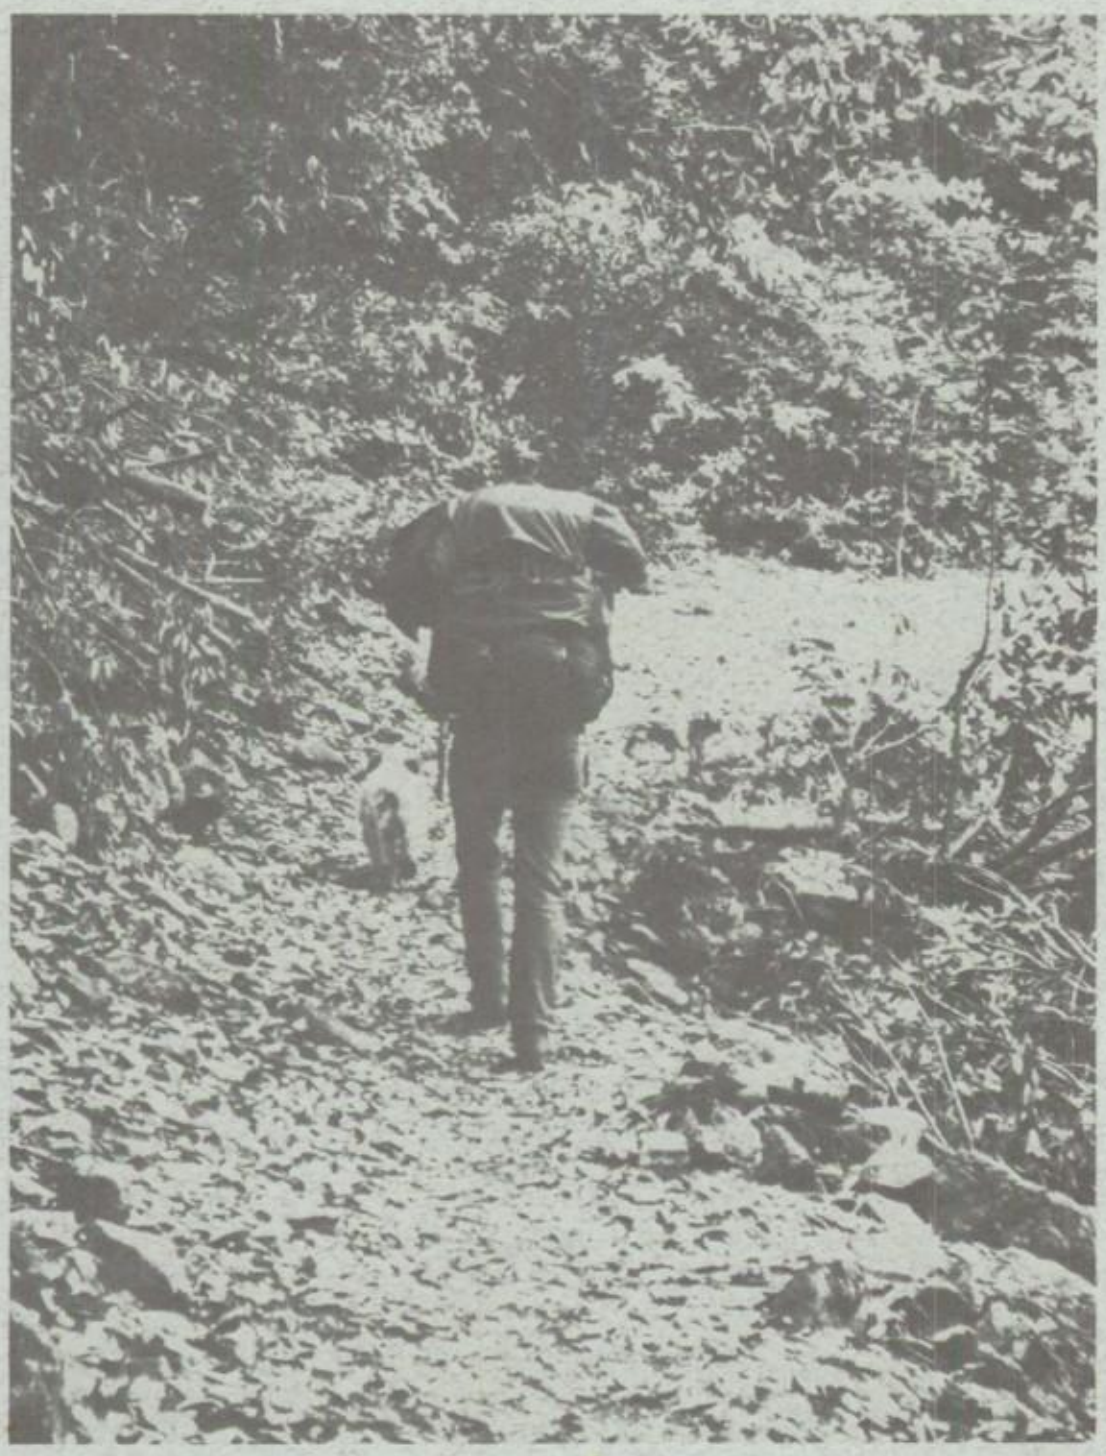
What I
is getting
family

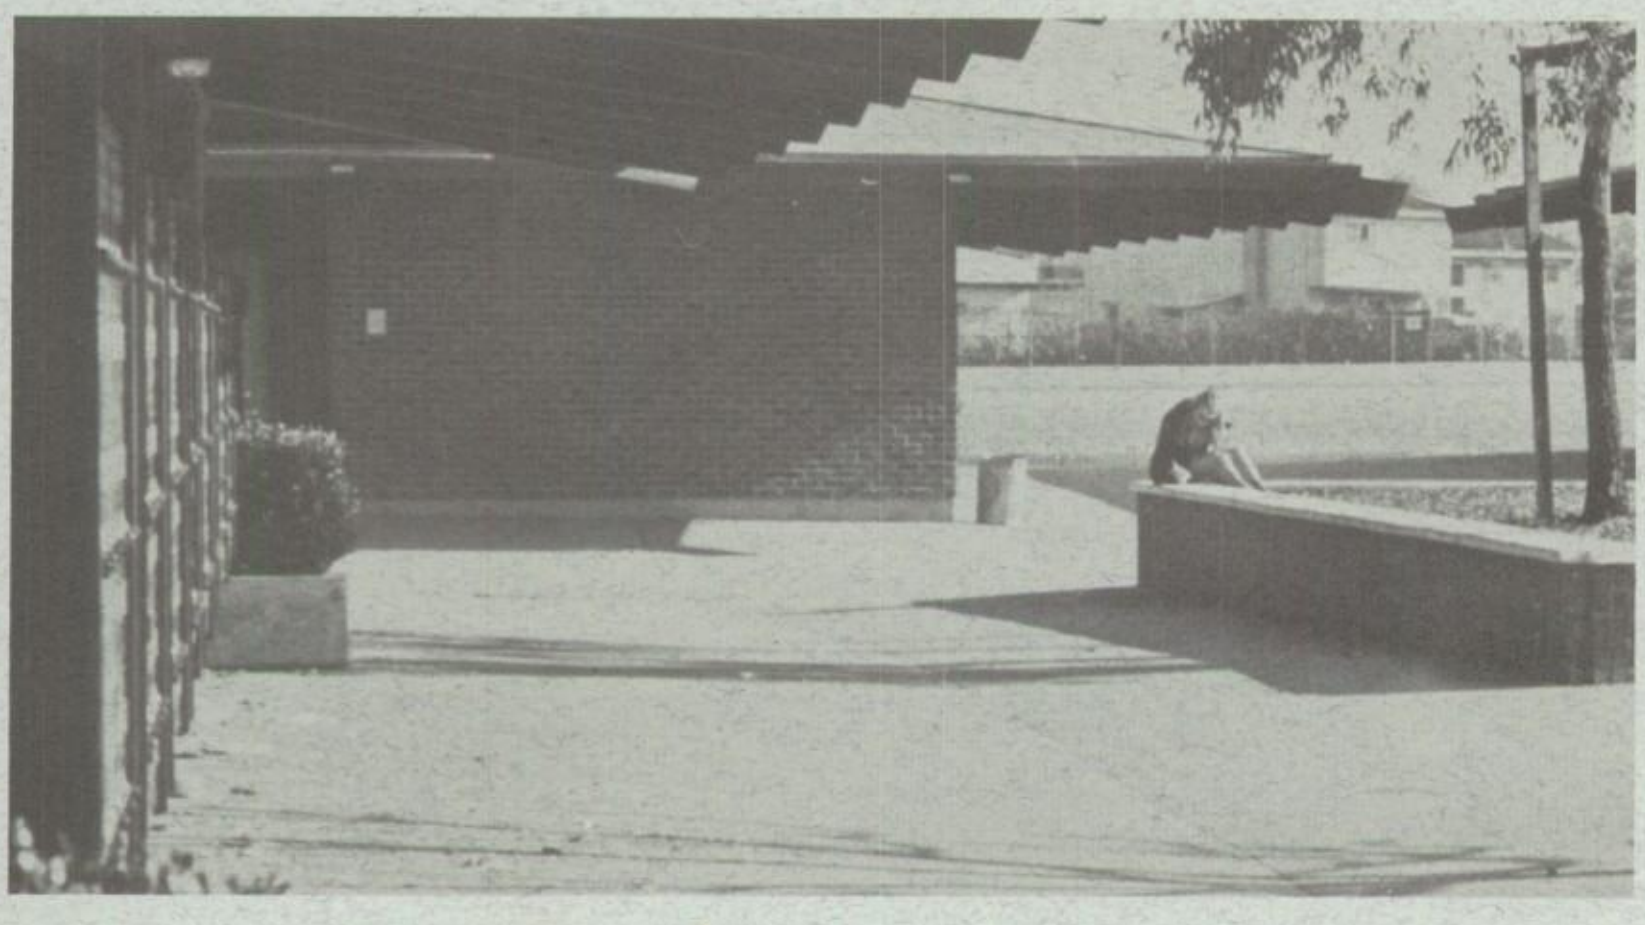
I remember
your work
Such
Maria Vargas

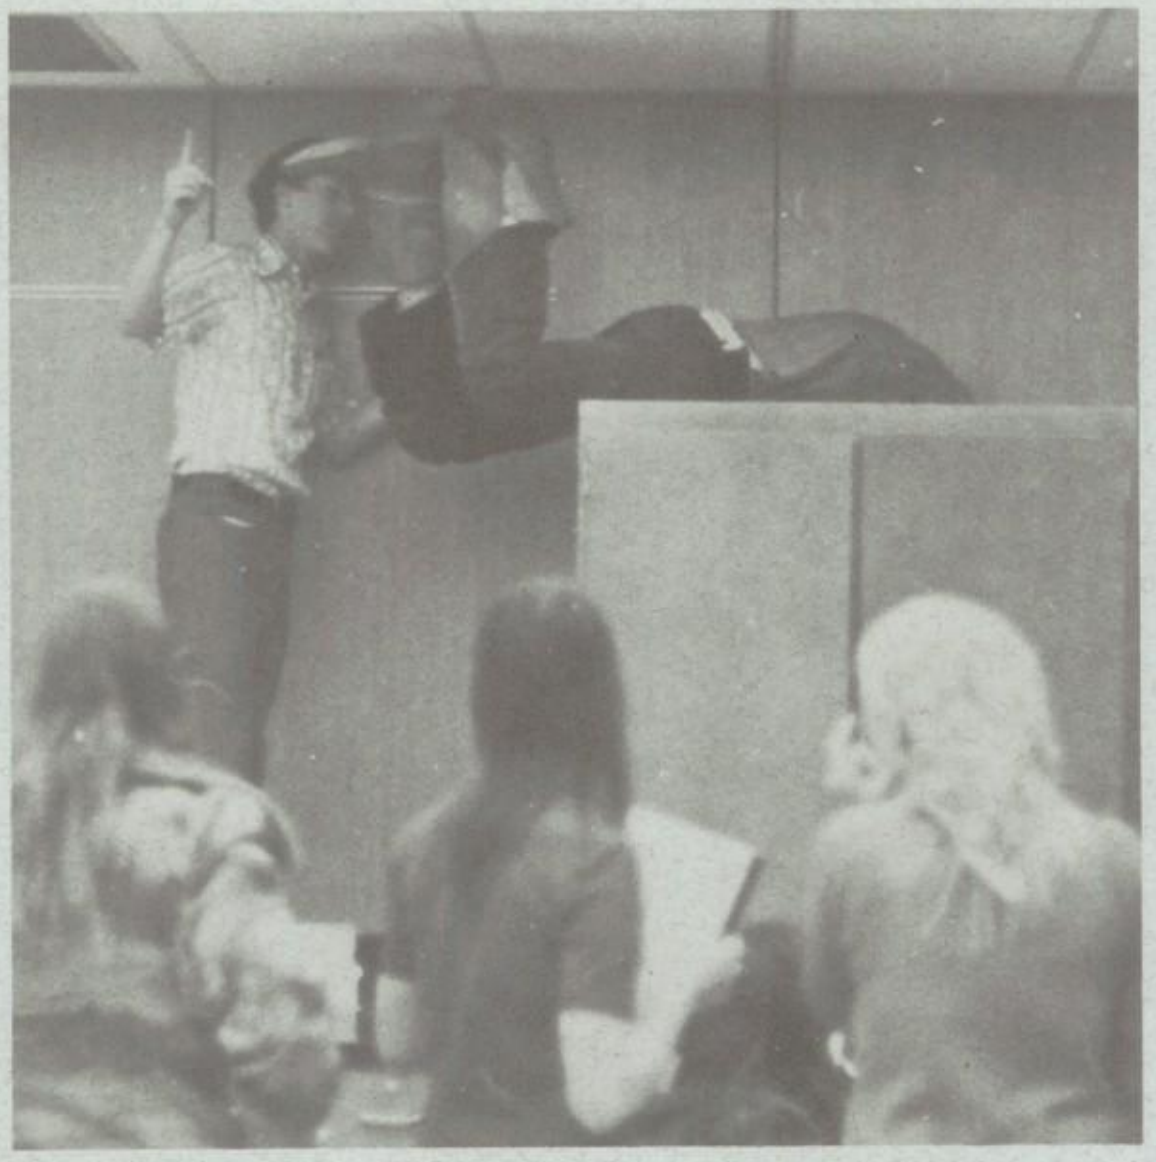
This book is dedicated
to that person
who can stand alone
and say
"I am myself,
I am
an individual."
For in that statement
lies a basis
for beginning.

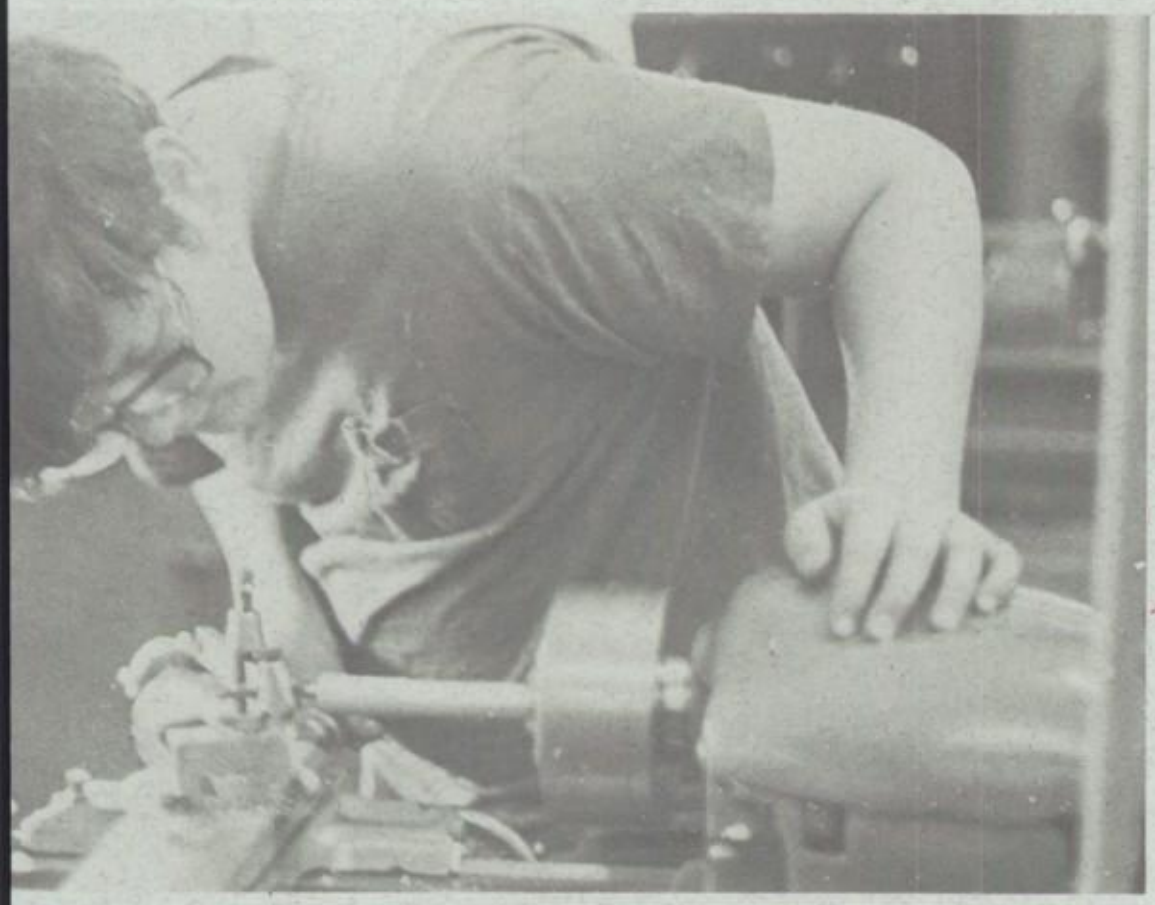


VIRGINIA









6/9/72

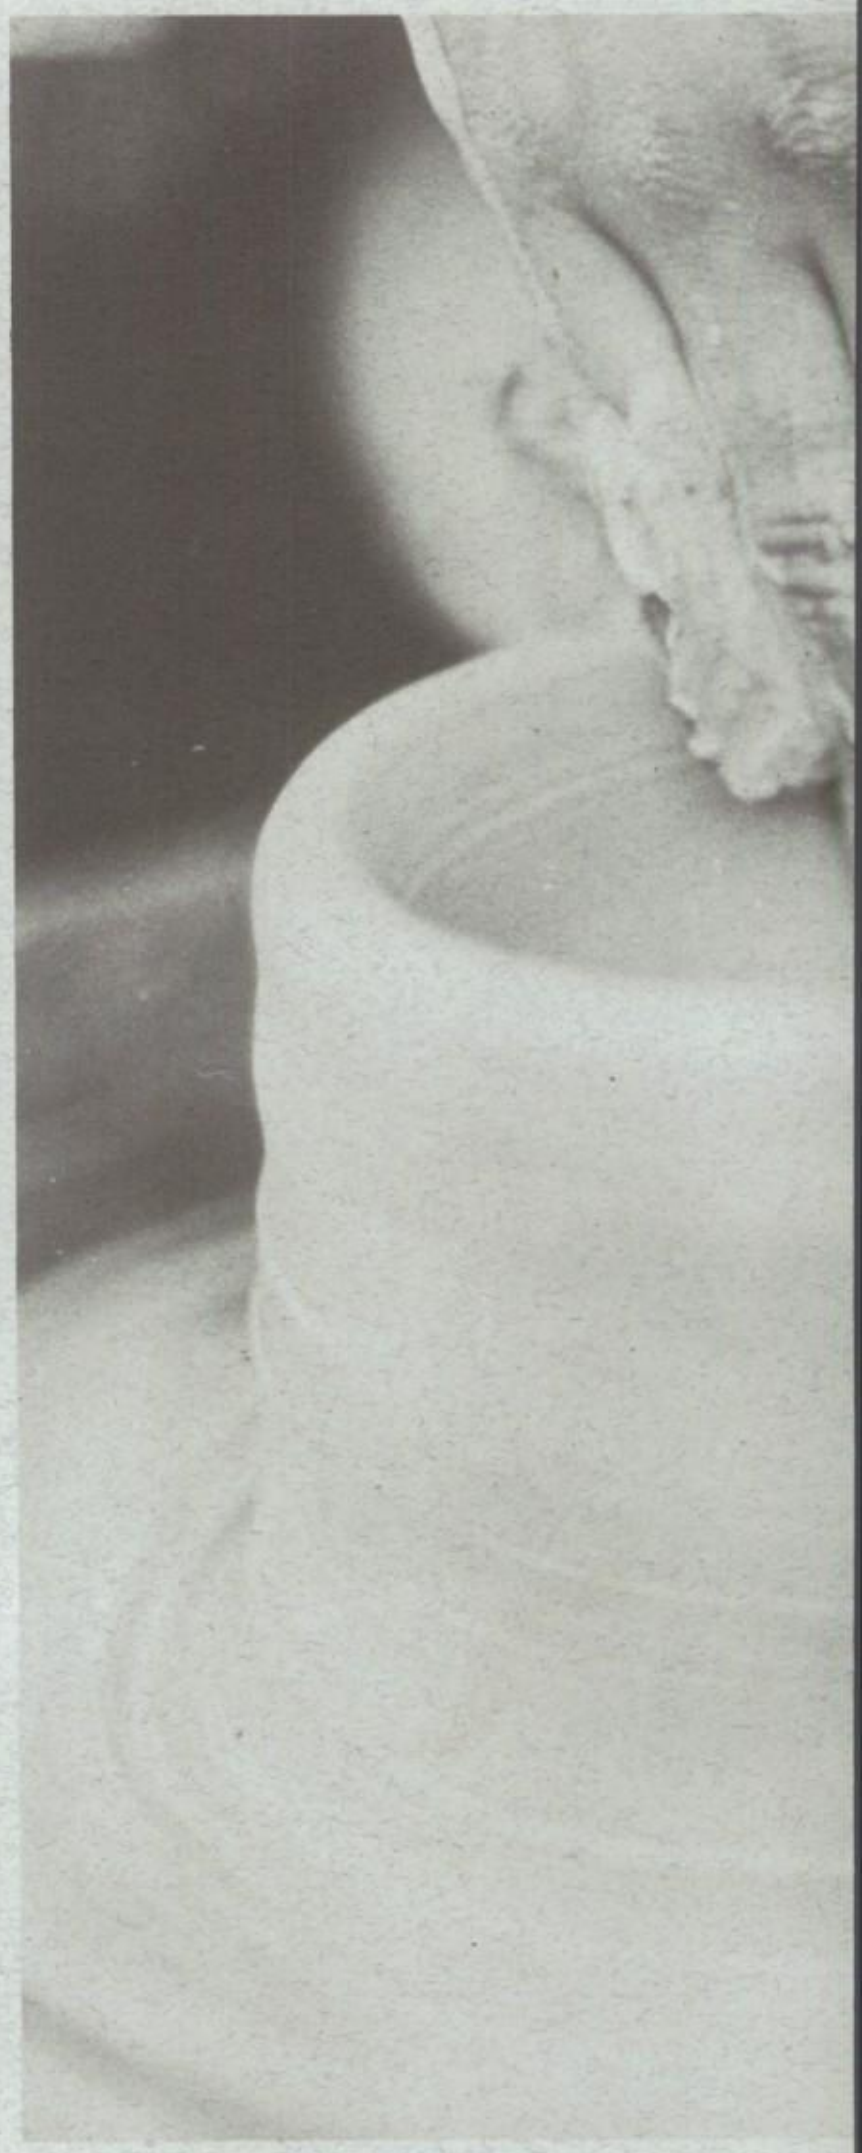
Querida Sam,

Ojalá que tu vida sea tan ordenada como lo has sido aquí; eres una chica muy linda. Creo que aprendiste mucho este año; no creo que te olvides del Sombrero de 3 Picos de P. A. Alarcón;

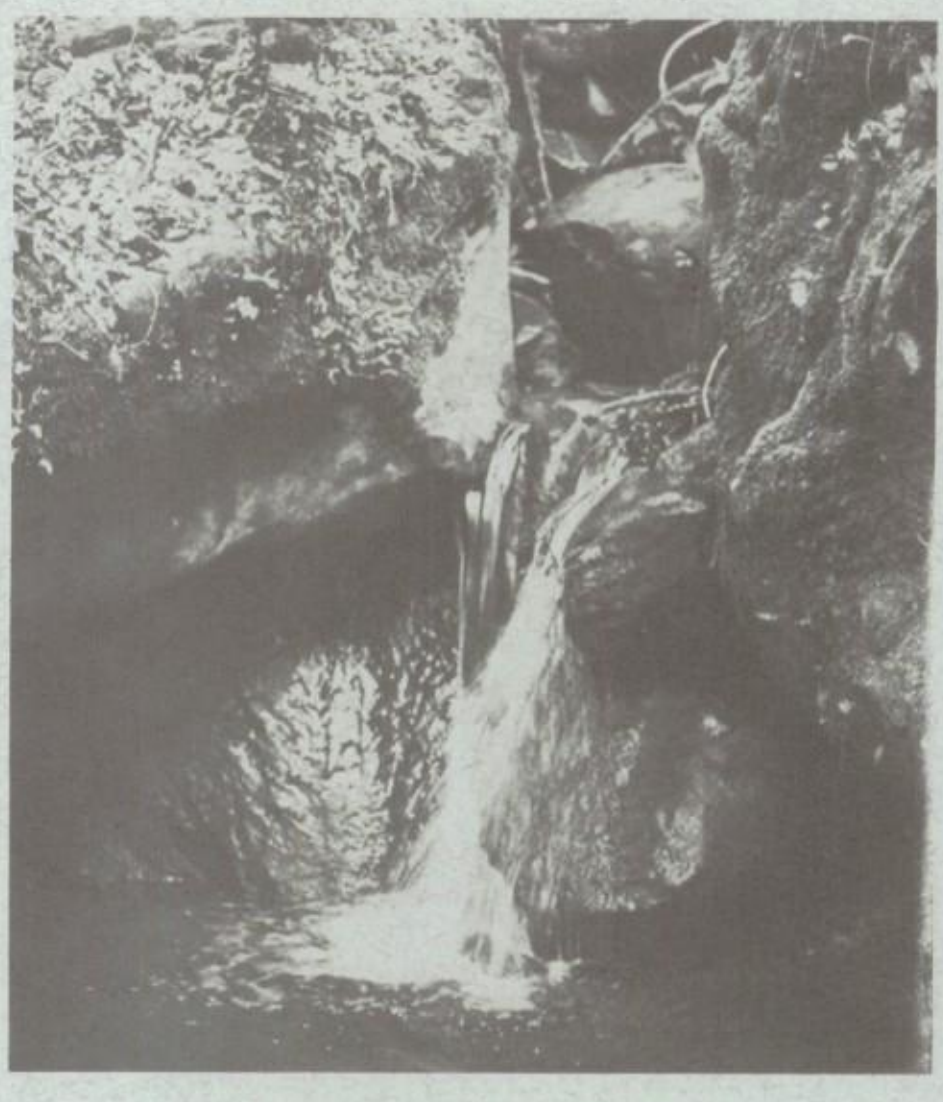
Con Cariño
Sra. Daigle

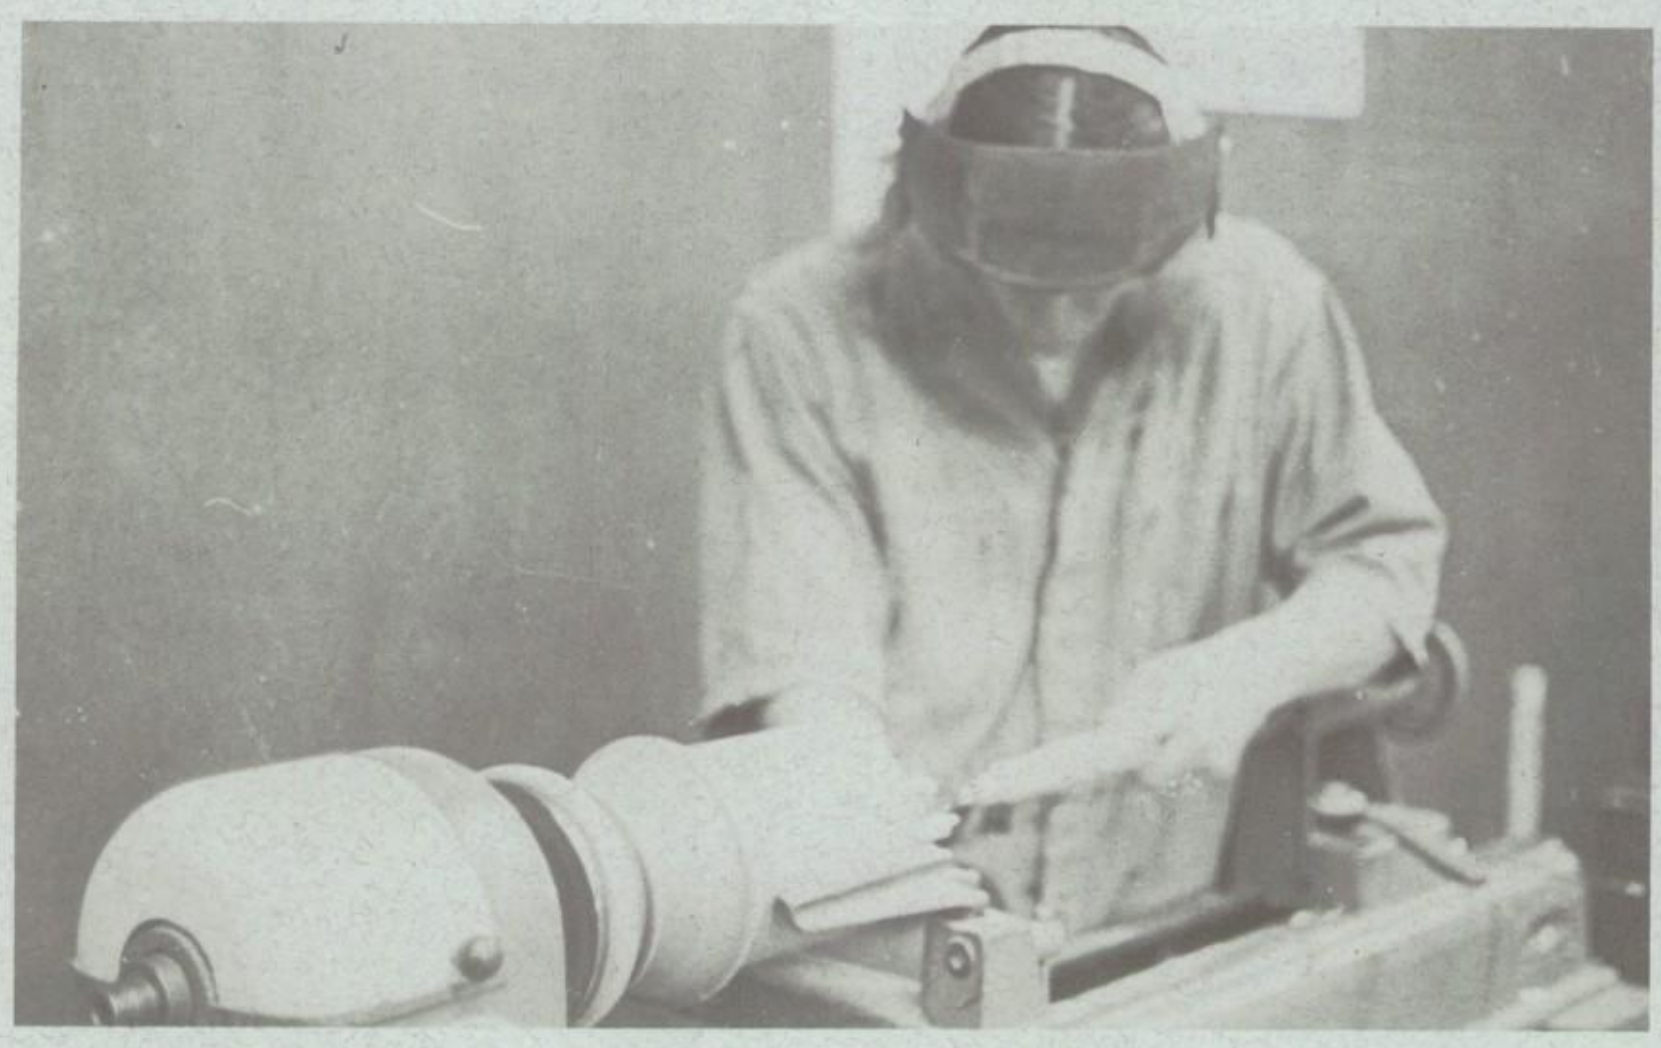
School
I wonder why they planted
cement, instead of grass,
along the halls.
guess the pavement is
easier to mow—
after all,
cement doesn't grow
very fast.

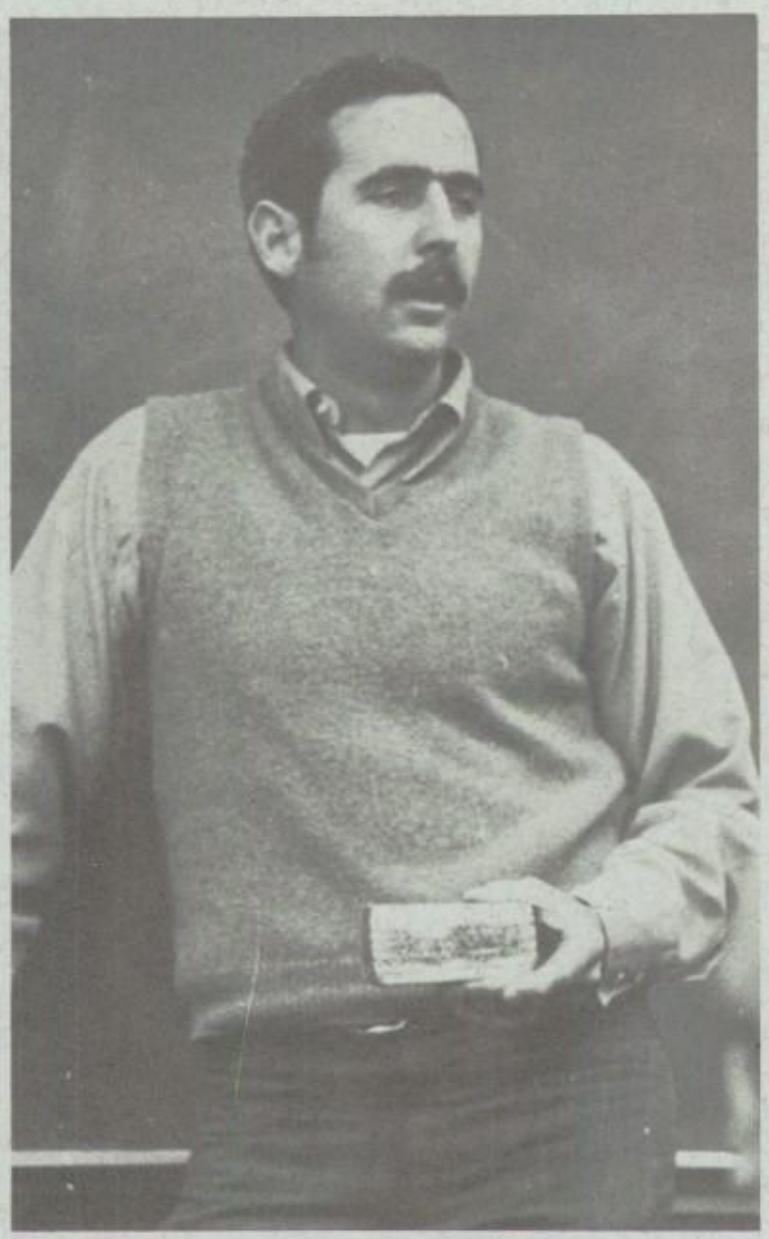
My head was spinning
(or maybe it was the
potter's wheel)
I think it was both.
And I was making mudpies.
actually, it was going
to be an Egyptian vase—
but I decided against it.
maybe it could be an
Etruscean wine vessel
No.
perhaps an Indian mortar
bowl
No.
how about a contemporary
suburban bud vase?
No.
It'll just be my pot.

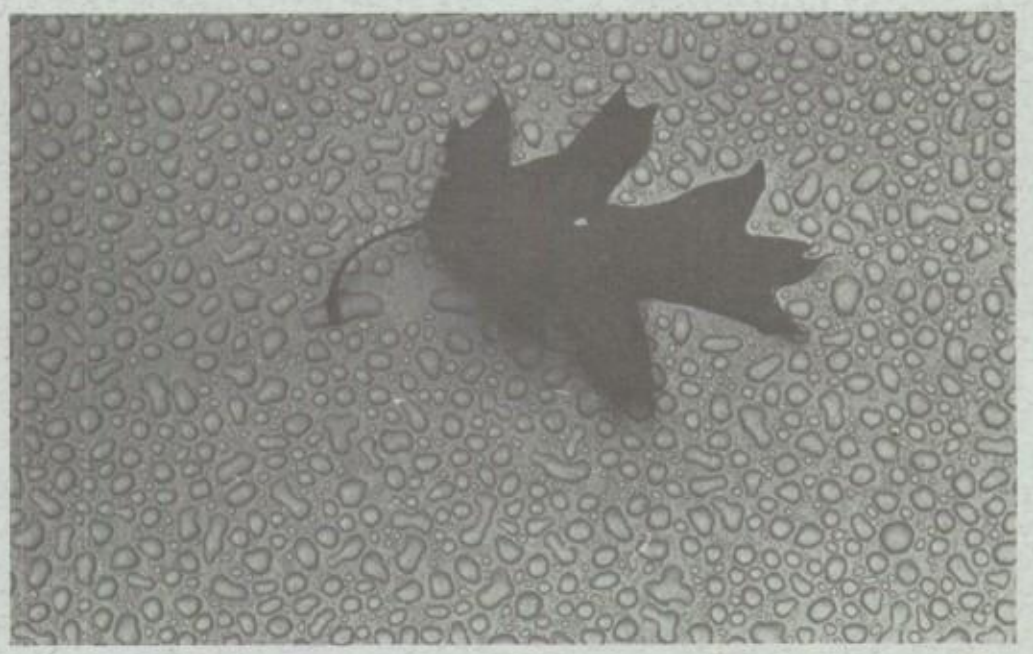


Pat
You'll NEVER THROW
ME IN YOUR POOL!
Good Luck in College — if you
make it. (HA HA HA)
STEVE
(Willie)



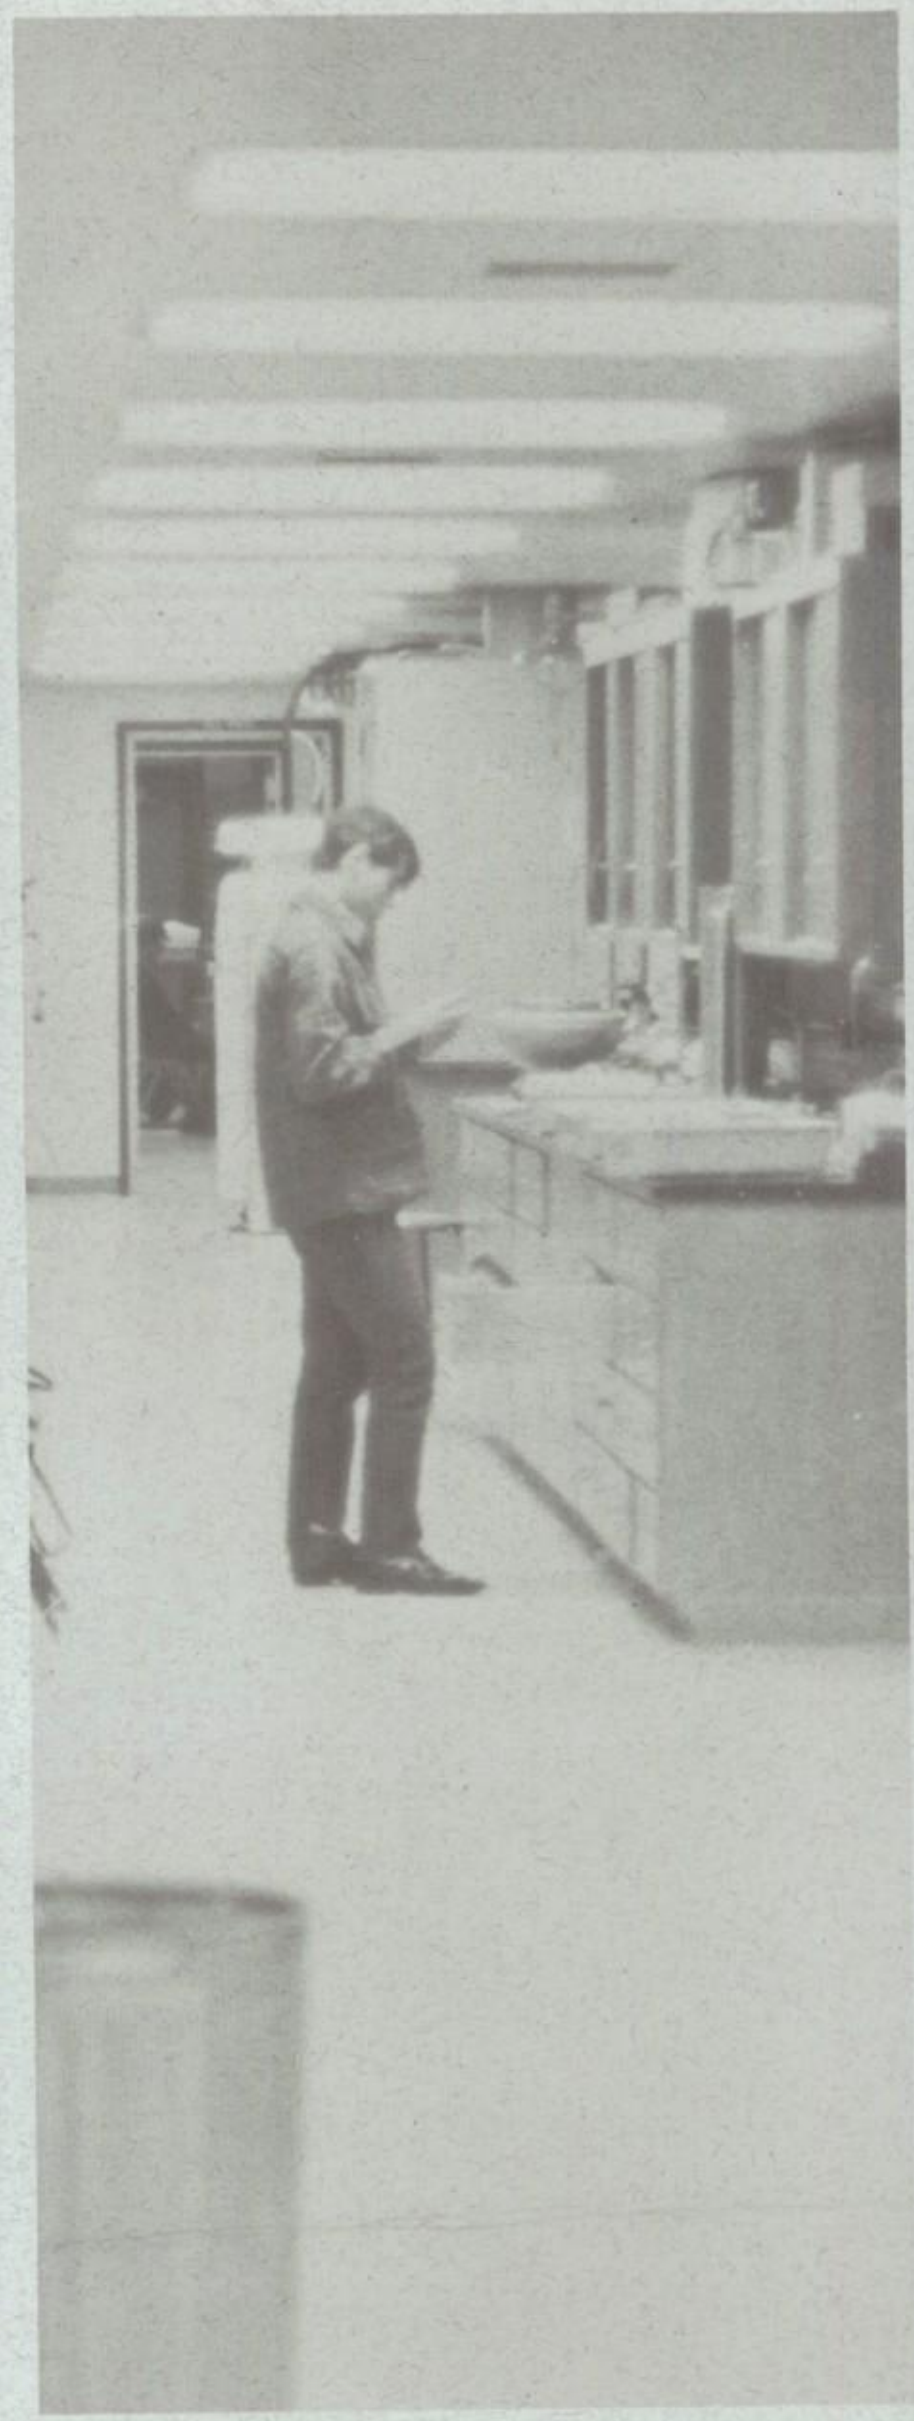






I try to be an individual
but sometimes I get confused,
and without realizing it
I get caught up in playing games
and painting faces—
plastic images at how I wish
I were.
And,
for awhile,
I actually think that it's me,
(but I know it isn't).
So I become involved, again,
in the quest for identity,
uniqueness,
individuality.

Pat,
I've really enjoyed knowing you this past year. You've been a great friend & I hope as always I take it easy over the summer
Love,
Patricia
Houston



Sometimes we become
so individualized
that we're no longer
something unique,
but become instead
only one in a giant fad,
a huge conformity.
So to say
I'm an individual
and at the same time
to be able to be congruent
with the world
is a feat we all seem to
try for
but often get lost
along the way.

the year the year **the year** the year

Homecoming

Princesses Cindy Smith, Senior; Terry DePew, Junior; Shelia McPherson, Sophomore; and Andrea Kneisl, Freshman.

Queen Sue Cusack and Returning Queen, Karen Jordan.

Senior Princess Cindy Smith and Escort

How was the game?!
Well, we didn't do so good during the first half, but we made three touchdowns the second half!
Yeah, but what was the score?
Well—we lost.
oh.
How was the half-time?
If you exclude the queen not walking down the field on cue, the band playing so loudly that we couldn't hear the announcer, the key club forgetting to crown the queen, and the fact that they used Mustangs instead of Porsches to drive the royalty,
not bad.
oh.
Well, how was the dance?
Great light show!
But the dance, how was it?
Nice and dark, which was kind of nice, if you're ugly
(or wanted to make-out with your girlfriend).
oh.

Mountain Madness

Nancy Peach and Keith Gipson receive award for best costume.

Hoppin' at the heyday hoedown!

Women's Lib?

Girls, do you promise to cherish your
man, no matter how bad he smells?
To get a job and support him in the
manner to which he is accustomed?
To do whatever he says—even when
it means slopping the hogs?
Men, do you promise to adore your
woman unless someone prettier comes
along?
To help your wife with the housework
as long as it doesn't interfere
with your loafing?
To give her any money left over after
you're done spending it on yourself?
Now turn to the one you love,
look deep into each others eyes
and.....
shake hands.

Marryin' Sam and Sal at it again!

On your mark, get set . . .

Haven't we met somewhere before?

"Yuletide Magic"

Couples enjoyed dancing beneath the Christmas tree.

Junior princess, Pam Lopez; Freshman princess, Alison Gill; Queen Laura Floyd; Sophomore princess, Claudia Jackson; Senior princess, Sarah Sommers.

Scintillatinglights,
in luminescent colours of
green and gold
dance resplendently around the
Yuletide tree
on a glittery eve in December, and
The young couples glide gracefully
about the glittering tree
while the band reverberates
sweet notes of yesteryear.

We see our hero at the mercy
of his elders:
"Dad can I borrow the car tonight?"
"No."

Laura Floyd and escort.

"The Corn is Green"

Cast taking a final curtain call.

Bessie returns.

Is spirit what most of us are typically looking for in high school, spirit such as a winning team, a big Pep Club, a fight song, or Alma Mater? Spirit is not to be found in these or in buildings or in diploma carrying teachers and administrators. It is not in a flock of traditions, ceremonies, pins, rings, and uniforms. It is not tears at commencement. All these may be present, but they are not school spirit. School spirit is a widely held devotion to a common purpose accepted as important to such an extent that all other considerations become secondary to anything that will further the students welfare. If more students would realize this, and everyday considered each other—there would be no limit to the possibilities!

Kirk Rochester

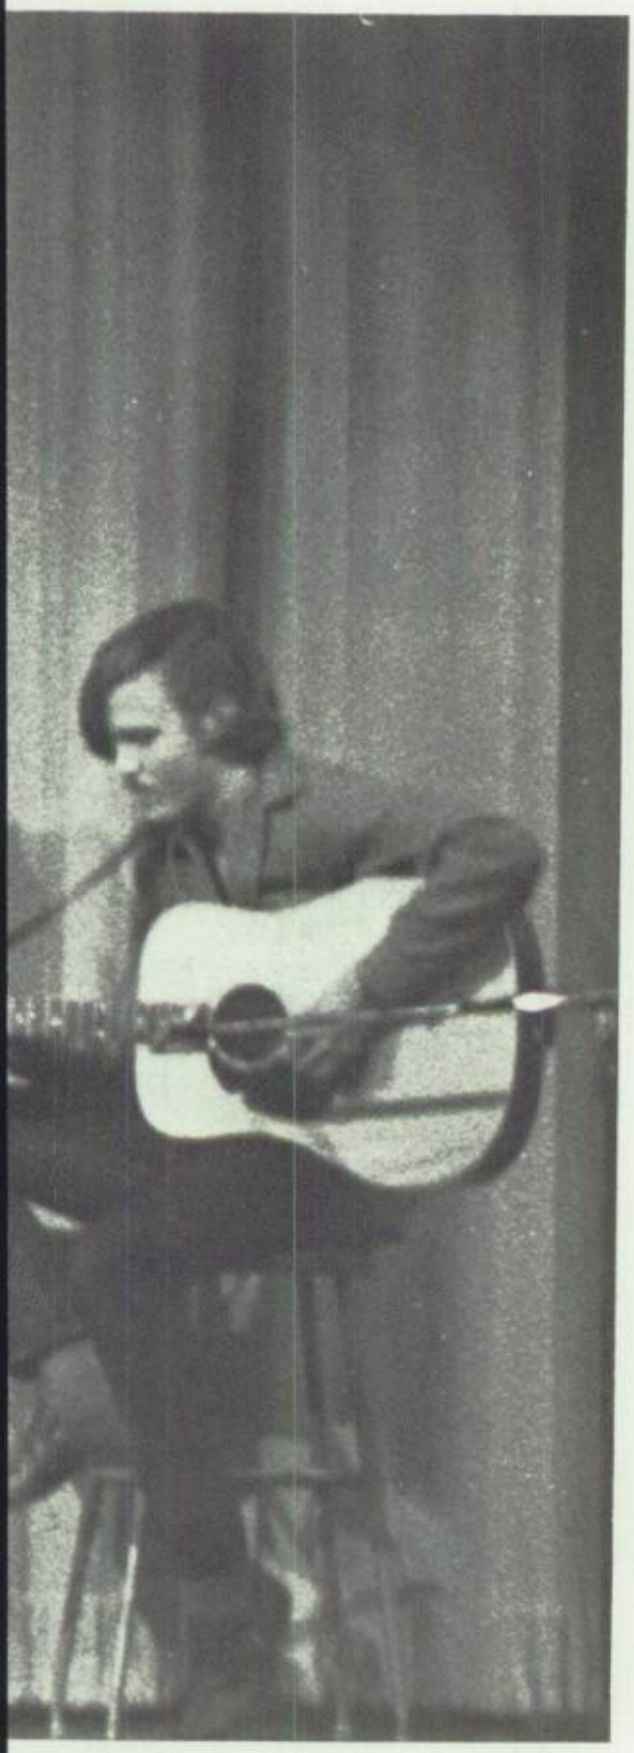
Lynbrook Choirs
Marty Anderson and Bernie Sheehan
Mushroom Era
Shorty's Truck
Stone Mountain
Swamp Fox



This year's Hootenany was just like this year:
nothing outstandingly spectacular.
but unlike this year
it was nice.

Highlights were:

Cottonwood, spotlighting Kathy Metzgur singing Carole King music was outstanding.

Jawbone, showing the return of Greg & Jerry Canote for their second Lynbrook Hootenany, did an exceptional job.

Kip and Jill Murphy had the only audience participation song, which was kind of nice.

Marty Anderson, a song girl this year, can sing—and she proved it when she and Bernie Sheehan participated in the show.

Barney's Beanery succeeded in giving us gas, as promised.

Tim Rhode's infamous Cherry Patch Three became the Cherry Patch Four this year when Redmond Tooley joined the group, and the Cherryettes added an additional touch to the Cherry's famous "Pancake Eyes."

Mushroom Era had Ricky Boulton and Jimmy Formans playing some good fungus rock, and featured the fantastic Ricky Yamashiro on a fabulously fluttering flute.

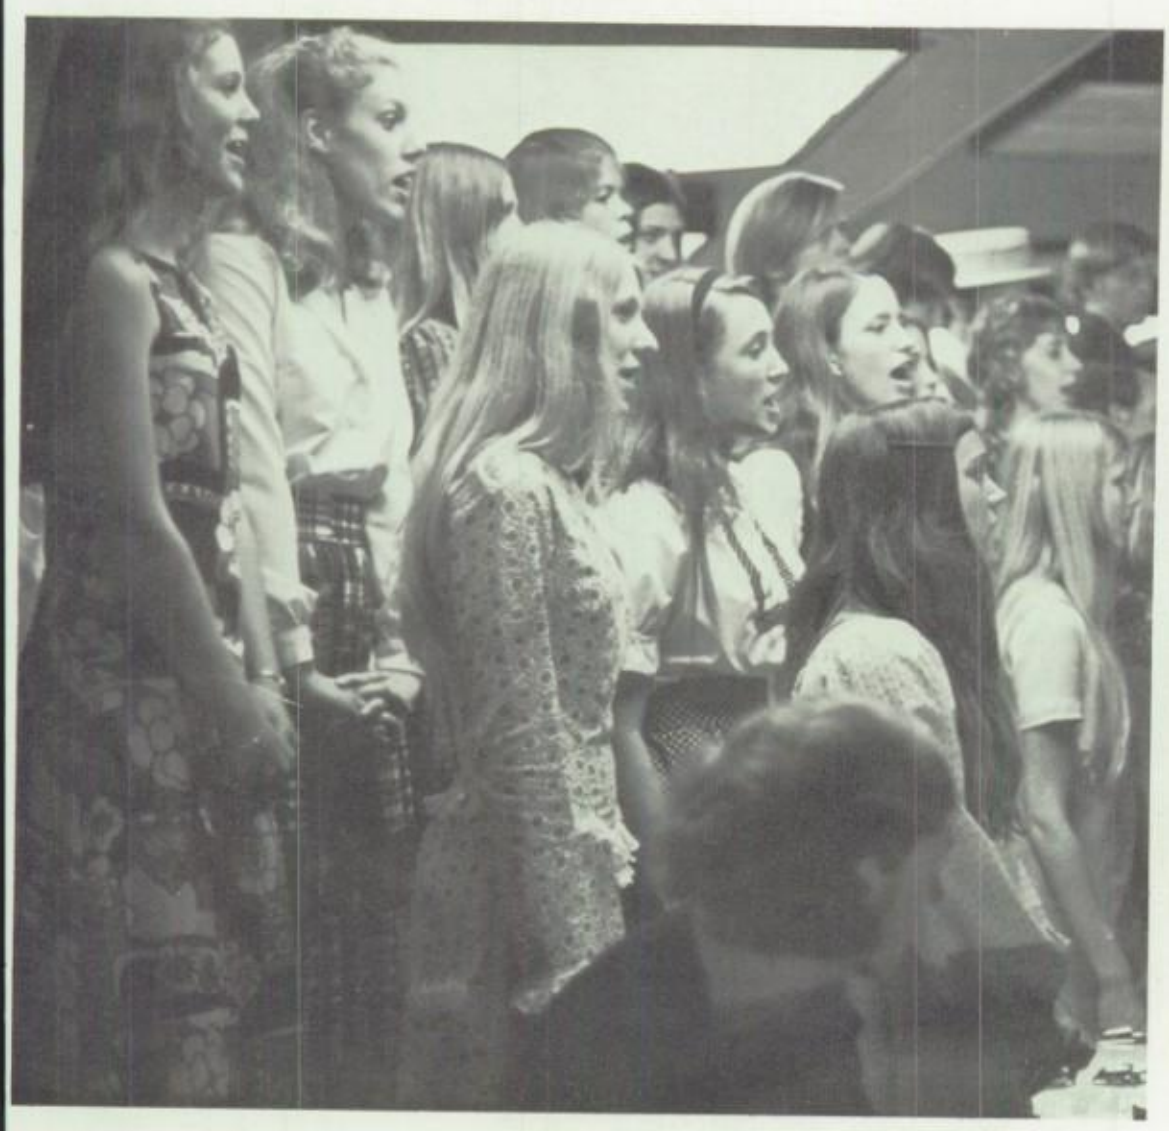
Cavalcade of Music

This year's Pops Concert—"A Cavalcade of Music"—was a potpourri of many different musical styles. It was designed to have something to interest everyone in the audience, and it succeeded. There were classical, rock, and folk selections performed by duets, quartets, Concert Band, and Concert Choir; a drum solo performed and composed by Curtis Cooper; and a dance by Terrilee Dickerson.

Uh one, and uh two . . .

The natives are getting restless, huh?

"Let me call you sweetheart"—oh yeah.



"Oh I wish I were an Oscar Meyer Wiener"

Everybody, wants to get into the act.

OK you guys, knock it off.

You've got to be kidding

This semester has been an exciting one for me. I have had the opportunity to meet and work with a lot of people who made the office of president a rewarding experience.

My main goal for office this semester was to further co-operation and communication between the students, faculty and community. This goal could not be accomplished in a semester, but I hope we started enough work in this direction so that other administrations might continue.

The attitudes of many people here at Lynbrook seem to be changing. There is now a real concern among students which is causing them to become involved in many social issues. I see the job of student government here at Lynbrook to offer many opportunities to students to get involved, both within school and out in the community.

Bruce Tomasello, Sports Editor

This year, Lynbrook saw Chuck Stephen, our first semester editor, despumate and even ameliorate the Epic. Stephen's inceptive cogitation typified his unwonted collation of the penetralium concering today's major issues. Jennie Robinett, our second semester editor, seemed to venerate Chuck, was assiduous for Miss Heaton, and viligant in her moil to produce a masterpiece of impeccancy. Miss Heaton endeavored to admonish Chuck, while the gerontocratic administration reacted to his descanting with acerbity and acrimony; yet, simultaneously, used him as a prolix epergne, which made him unaffable, and caused him to take on prelatical airs. If we could have understood his big words, the true meaning of his tenet might have permeated our feeble minds, and he might not have seemed so delsutory.

Valhalla Staff

"Dear American Yearbook Company:

I guess we should explain why we missed our last deadline. Actually, we had the whole thing pretty well in hand until we ran into a few little difficulties.

You see, first we took all the pictures of our Choir and our Band, then we discovered there was no film in the camera. That wasn't too bad, really, but then we had some difficulty with the pictures of the Senior Hootenanny. Other than the fact they were all over-exposed, they weren't too bad. Of course, there were other inconsequential things. We forgot to get pictures of the Fall ASB Government officers until a month after our Spring officers were elected. Then we couldn't find some teachers, all the underclassmen pictures got mixed up, and an epidemic of tropical fever struck the whole yearbook staff at once.

Up until that point, we still thought we could make it. It was when our advisor, Mr. Holden, hijacked a plane to Cuba and our editor started singing the alphabet backwards that we knew we were in trouble. By the time the typhoon and glacier demolished the school, we gave up.

So you see, sirs, we really did try. It's just that the little things got us a bit behind schedule.

Sincerely,
The Valhalla Staff"

If you think the above is an exaggeration, drop in on the yearbook staff, room 26. But please, bring your own straitjacket. Ours are all occupied.

Elanna Stadtfeld,
Assistant Editor

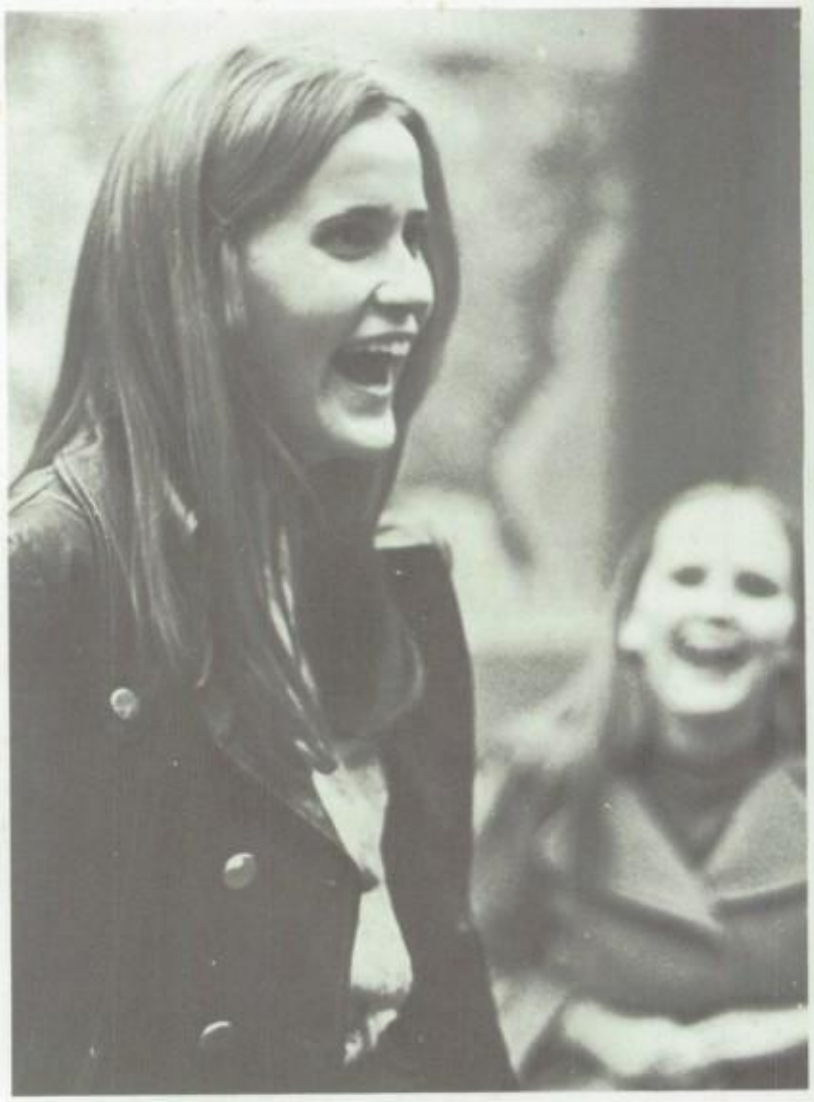
Familiar Faces From Foreign Places

Throstur Gudmundsson-Iceland

Throstur came over on the International Christian Youth Exchange, and is staying with Mr. and Mrs. Gibbs ... was in the chess club, then made Varsity Basketball team, will probably go out for track in the Spring ... "Even though school has strict rules, it does a lot for the students." In Iceland there aren't after-school sports or competition, so, as you can tell, Throstur has taken advantage of the opportunity to compete in our athletics ... casual ... personable ... easy-going ... very interesting to talk to ... I really like him.

Elsa Kantola-Finland

Elsa came over with YFU, and is staying with Jennifer Arthur ... it's a lot warmer here than in Finland which took some getting used to ... she's in the choir, Valquiens, and plans on participating in the International Relations Club Model UN at Berkely ... "I like traveling and driving around it's interesting to see different places" ... and so far Elsa has been to Oregon and Disneyland, and plans on seeing Mexico with the Arthurs ... intelligent ... funny ... and very easy to talk to.



Mario Kornreich-Brazil

Mario came over in January with Youth for Understanding, and is staying with David Imas ... "Everything here is so new—a new experience" ... at his school the students stay in one classroom, and the teachers switch classes ... Mario joined the soccer team as soon as he arrived here: "In Rio de Janeiro there are no school teams, just street teams" ... "In Brazil there is a maid for everything—here when I wake up I make my bed, in Brazil the maid does it" ... very nice ... very honest ... (and not meaning to be redundant) I really like him.

Ellen Tangerman-Holland

Ellen came over with YFU, and is staying with Ann Kelly ... she's in choir, art, and will participate in the Modern Dance Concert ... Ellen's school in Holland has only 750 kids in comparison to our 2500, and she says that took some adjusting to ... "When I go home, I'll miss the mountains. They're beautiful, and I like to paint them" ... pleasant ... sincere ... bright ... and a very good artist.

Marie Jarry-Liberia

Marie, too, came over with Youth for Understanding, and is staying with Christy Barnes ... it's quite a bit colder here than in Liberia, and that took a little adjustment to get used to ... at her school in Africa Marie belonged to the Urban Youth Fellowship and Future Physicians Clubs ... "Lynbrook is fine. I like the students, I like the teachers" ... confident ... interesting ... honest ... a fine friend.

Lynbrook's Band has a reputation for being the best in the county and ranking very high in the state; and they showed it this year when they placed five people in the State Honor Band, and 34 in the County Honor Band including eight first chairs. This is the highest amount any school has ever placed. A great deal of credit goes to Mr. DiStasio who put in a lot of time and effort being their director and preparing them for their competition and performances. In addition to running around winning recognition for Lynbrook, our band participated in the Christmas, Spring, and Pops Concerts.

"A moving rendition!"

Lynbrook's Concert Choir has again finished a successful year. They attended many activities such as the annual Senior Hootenanny, the Pops Concert, the Christmas Show, and the District Festival. However, being in the choir wasn't just music and performances. Remember those before and after school sectionals, the quartets in front of everyone, and the wonders of Mr. Blood pounding out notes on the piano? How about the Christmas party? Remember the time the Berkely Choir ate spaghetti and slept over night? Yes, it was a great year, and if you ask any member they'll usually say, "Choir was alright!"

United we stand . . .

This year proved to be a period of transition for Lynbrook's Valkyries. Last year we saw them as a strict military drill team, this year they included both drill and dance in their shows, and next year the plan on concentrating on dance routines.

Being on the drill team isn't as easy as it may seem. They practice after school during football season on Monday through Thursday, and during fifth period, making their total time of preparation at least ten hours before each show.

Highlighting the girl's 1971-72 season was their performance at the San Francisco 49'er-Chicago Bears game in October.

Fun and Games

Clubs at Lynbrook do a lot more than have meetings. There is something for everyone. If you want to be of service, try Key Interact, Pep Club, or Valquiens. Interested in faraway places with strange sounding names? Join a foreign language club. Do you have a special talent, or do you want to develop one? There's Chess, Bridge, Auto, Creative Writing, Drama, Cultural Music, Art, Math, Science, Bowling, Photography, Debs Club, and the National Forensic League. If you're wondering about the future? You ought to be in Future Teachers or Future Business Leaders of America. Curious about other people? There's the Humanities or International Relations Club. Is the pollution bugging you? Get into T.R.E.E., Lynbrook's hard-working conservation club. Going places? Then the Cycling Club is what you need. Get good grades and want to help others do the same? Then C.S.F. and N.H.S. need you.

So just for kicks, we'd like to have you participate in the clubs. So ... just follow the directions. For the frustrated, the answers are on page 212. Good Luck!

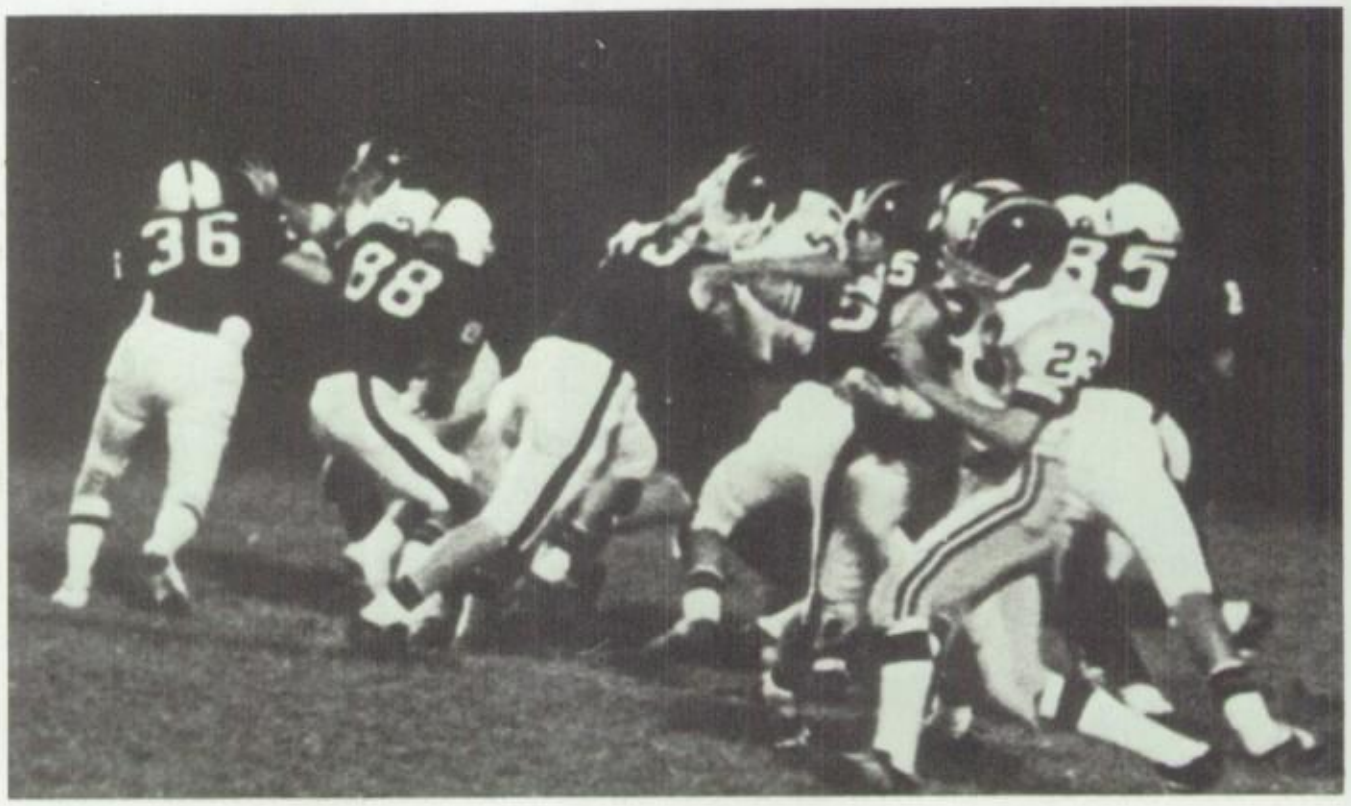
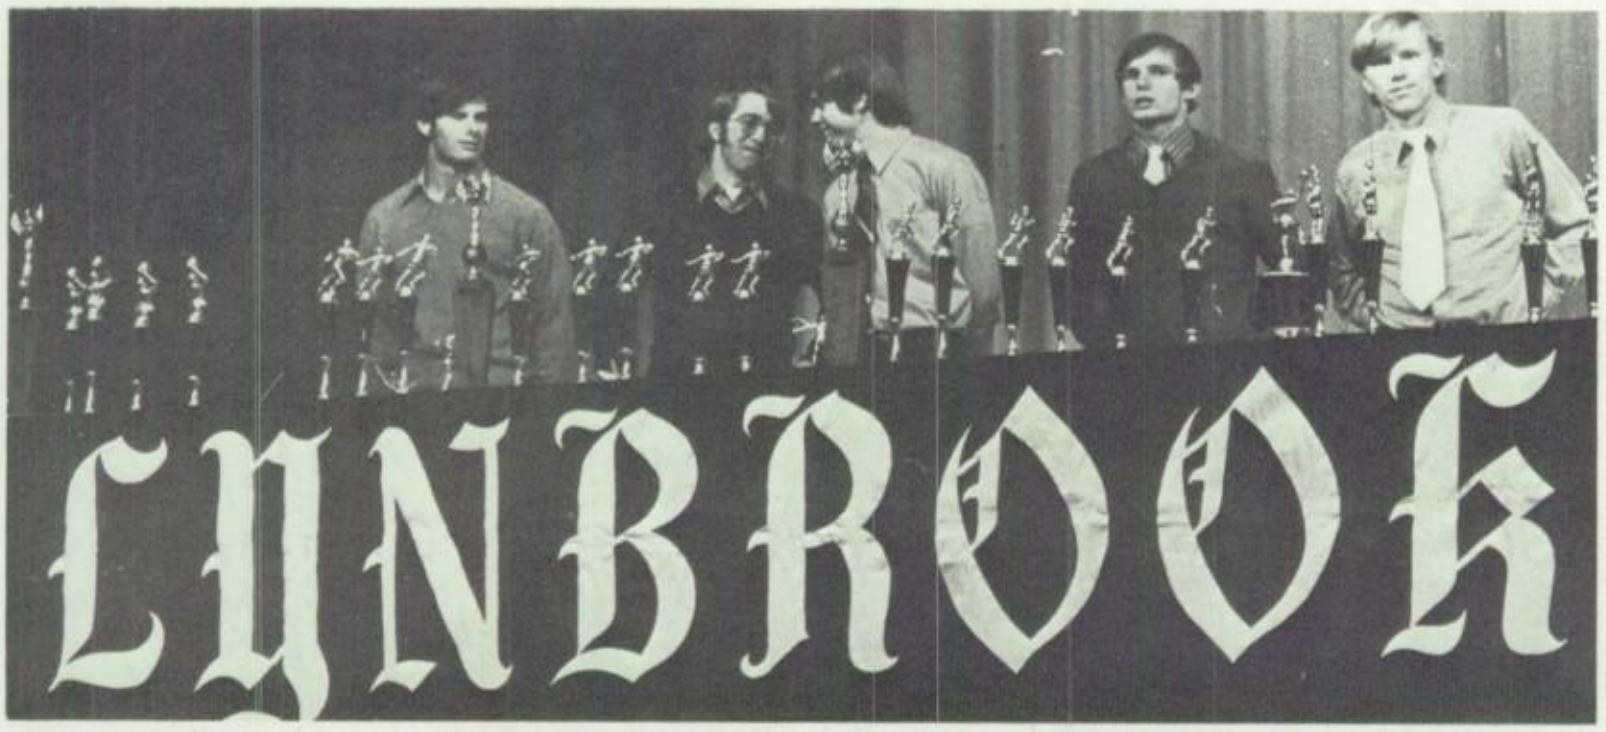
Varsity Gridders Come on Strong

Juntunen awaits the snap.

Coach Wagner led the team to five thrilling victories.



Team blocks hard to assure the extra point.



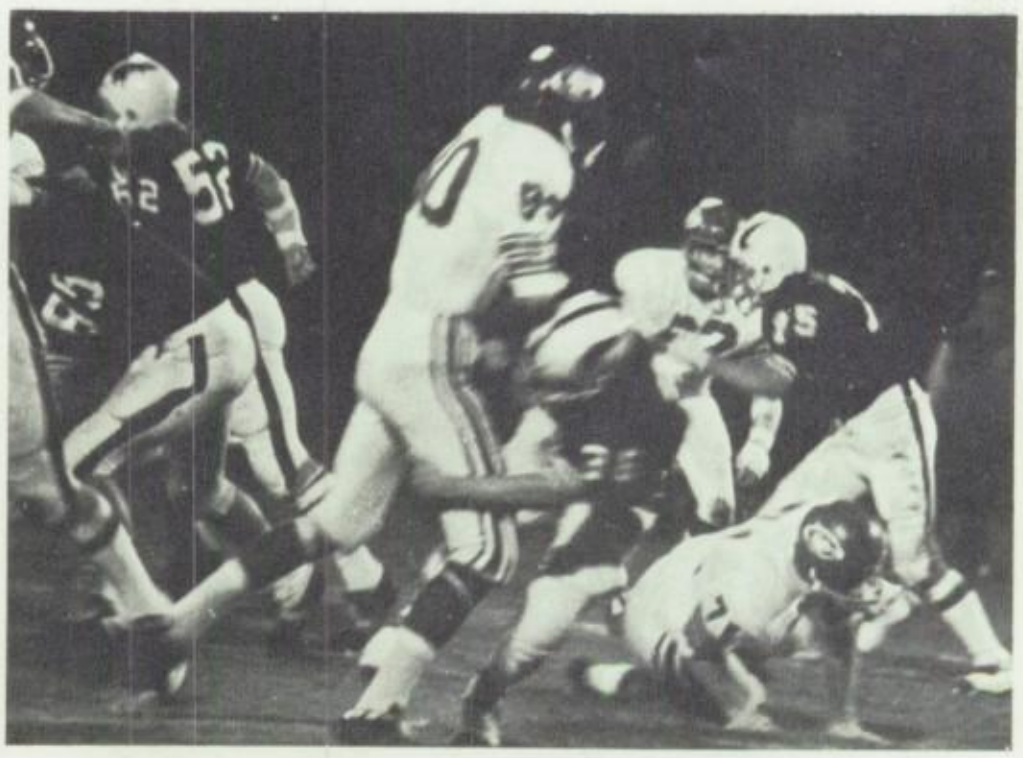
All-League Selections (L-R): Honorable Mention - Bob Moore, Steve Debbas and Craig Juntunen; Offensive team - Steve Dudley and Most Valuable Offensive Player Jay Miller; Defensive team - Jerry Bishop (not pictured).

If there is one word which best describes this year's Varsity Football season, it has to be "dynamic."

The team jumped right into the season by claiming their third Jamboree victory in four years. They continued on their winning ways through their first three games. Playing well against Prospect, the team scored in the final two minutes to come from behind and chalk up a victory. Senior Jay Miller did a fine job against Irvington by receiving 8 passes for 190 yards and 2 interceptions. A disappointing Homecoming loss to play-off bound Mountain View shattered a perfect record.

Lynbrook then took on Homestead which began league competition. The team could not keep up with the hard hitting Mustangs although they did score the most points given up by Homestead the entire season.

Ending the season with a 5-4 record, Coach Wagner claimed that the team did an excellent job considering Fremont, Homestead and Monta Vista were rated 1, 3 and 10 respectively in the CCS.

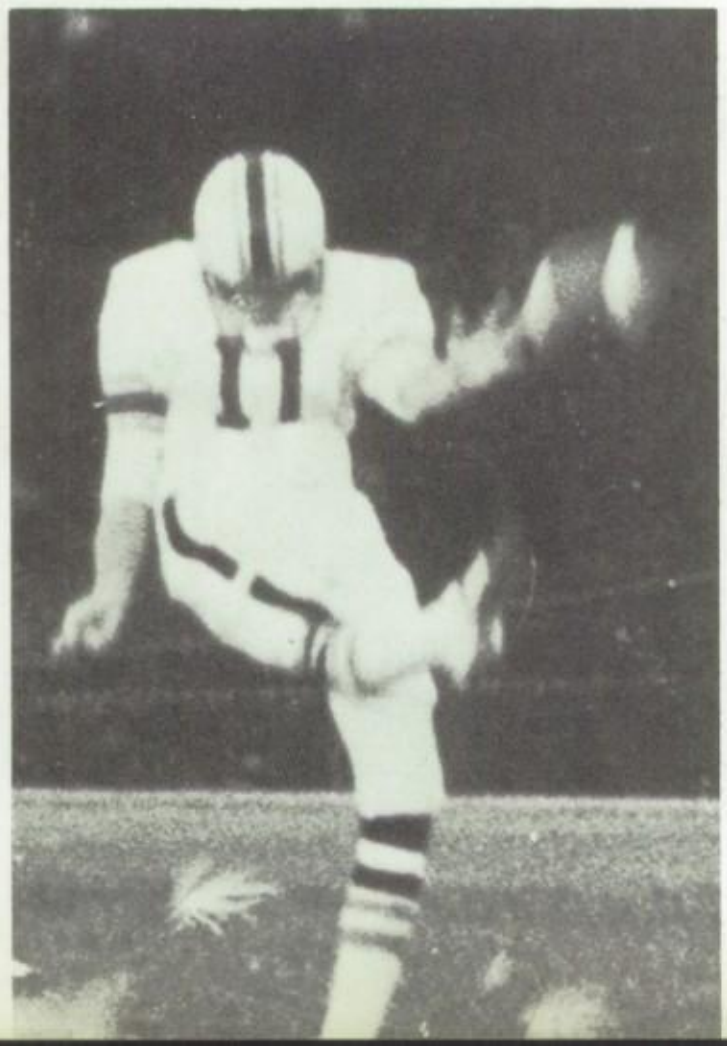


The line picks 'em up and puts 'em down.

JV Football

Ed Hayes cuts a corner to avoid a tackle.

Mike Belote carries for a needed five yard gain.



The Junior Varsity Football team closed its season with a 3-3-3 win-loss record. The team was led by Dave Imas who, along with Mike Mitchell and Mike Montagne, made a great effort on defense. Mike Belote and Ed Hayes were the main running threats. The passing arms of Earl Hanson and John Schmidt, combined with leading recievers John Bell, Bill Napier and Steve Swantko, Produced some exciting victories. A slightly greater effort could have turned an average season into an outstanding one.

Touchdown!!

Frosh Football

This year proved to be quite a learning experience for the Freshmen Football team. Playing their first year of rugged high school football, the team found out that it takes a lot hard work and practice to prepare for each contest. The individual development from game to game was considerable.

Team leaders Chris Hulburd and Paul Celentano compelled the team to 2 victories and 6 losses. Outstanding linemen Mitch Jackson, Jim Waldron, Bert Hildebrand and John Garcia, along with recievers Phil McPherson and Bill Burham, and backs Paul Sackinger and Paul Keswick, helped contribute to the effort.

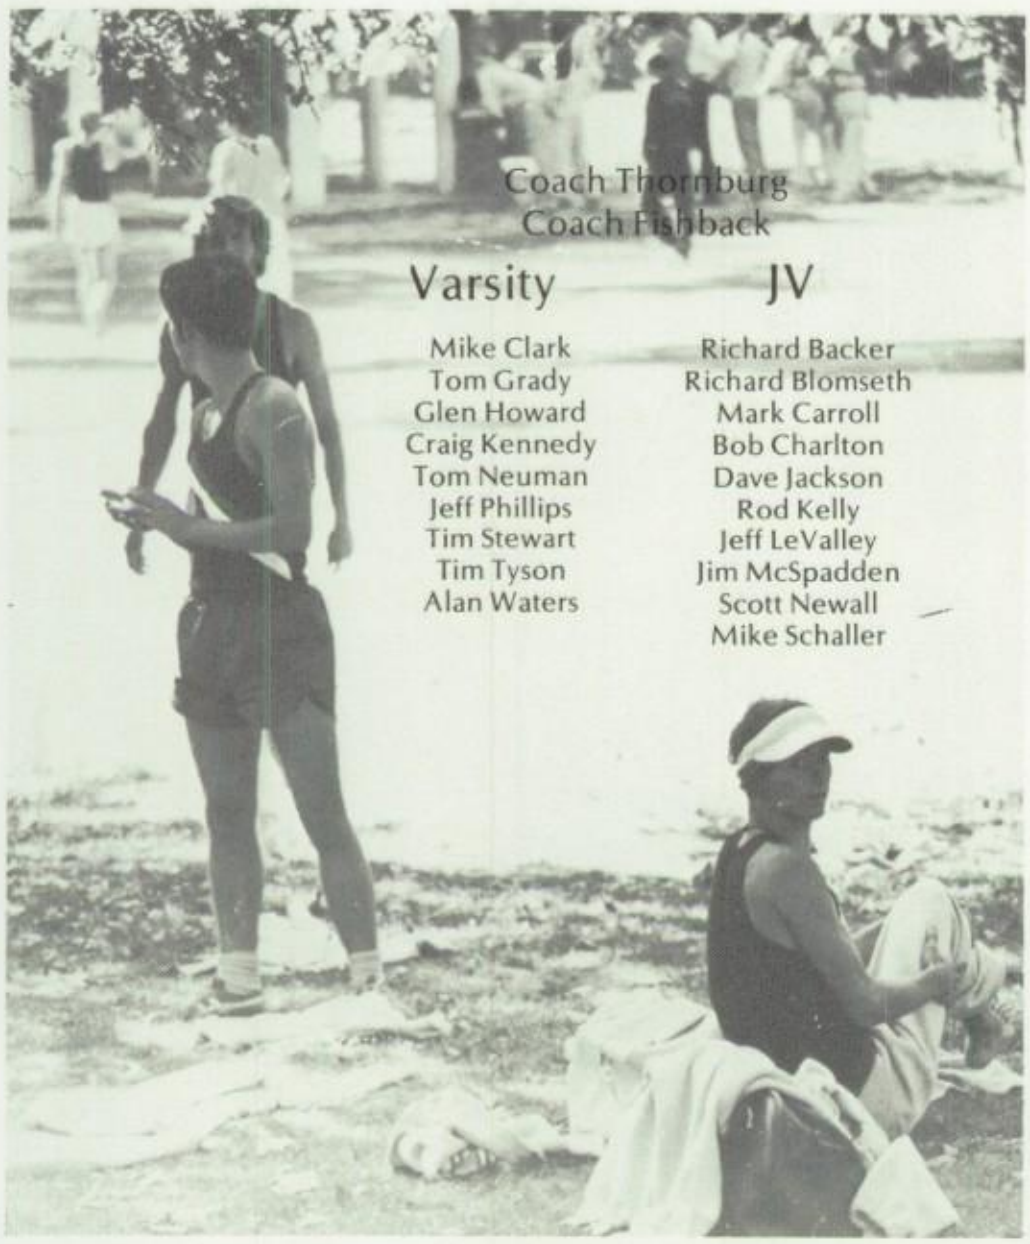
Alan Waters drives for the finish.

The sophomores loosen up before a meet.



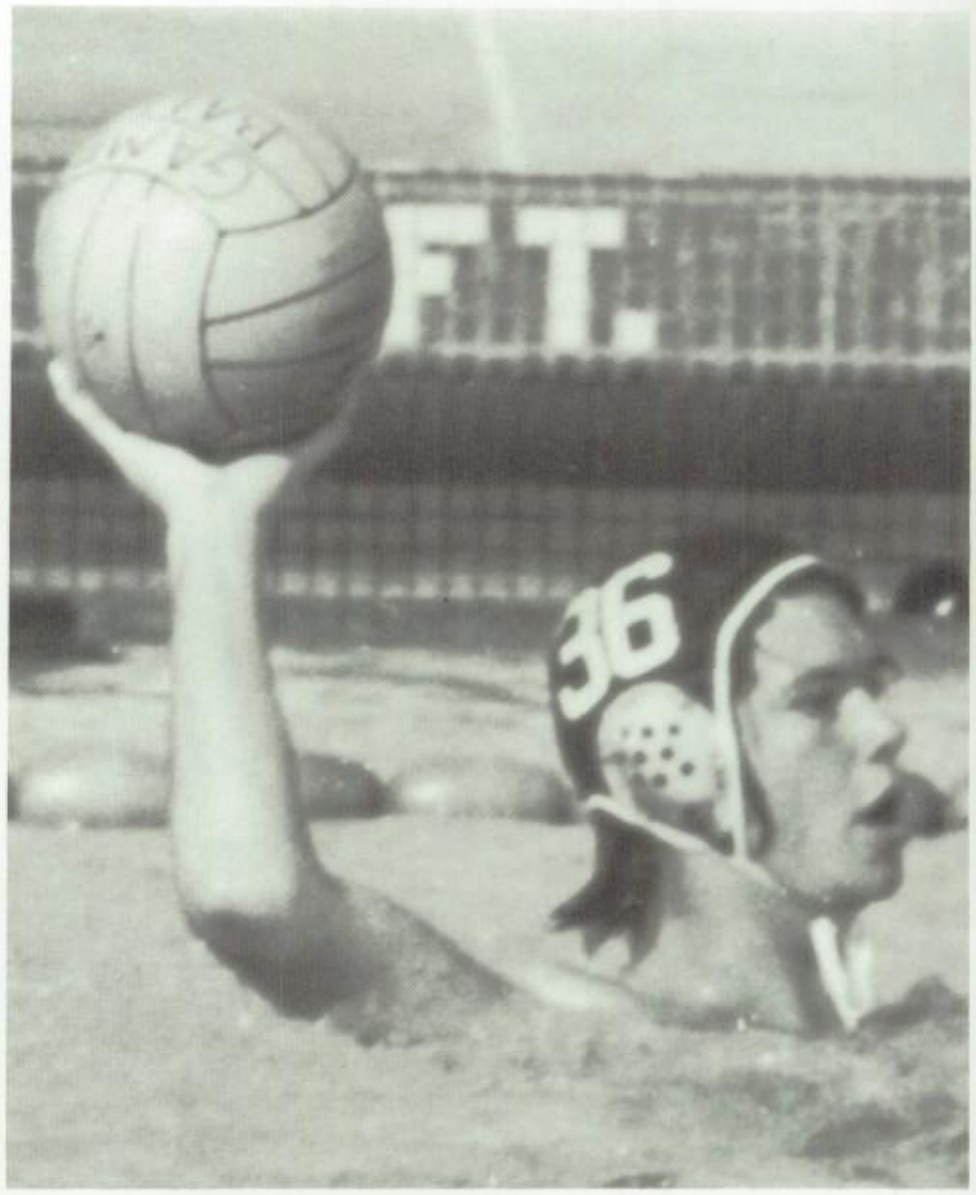
Juniors Glen Howard, Jeff Phillips and Tim Stewart, and sophomores Craig Kennedy and Alan Waters had to share the varsity burden this season. By running an average of sixty miles a week, these fine young athletes paced themselves to a fourth place in the league meet.

The sophomore team of Tim Andrews, Dennis Early, Roger Hileman, David Knowles and Steve Murray, running as a single unit, made a fine showing this year, placing third in the league.

The freshmen team started off poorly, and it looked as though there would be some difficulty finding enough runners. Toward the end of the season, though, they really came along and placed fourth in the league.

Varsity Water Polo

Goalie Dave Hearn waits for the team to set up.



Jeff Wyant prepares to pass.

Are two heads better than one, Mack?

Frosh-Soph

Lynbrook's Varsity Water Polo team compiled a 6-5 win-loss record during a fine season. A fantastic 7-6 win over Awalt in a double overtime period highlighted the season. Mack Haines contributed six of the seven goals including the final and winning goal.

The team was led by Steve Halsey (Honorable Mention All-League) and Mack Haines (First Team All-League.) An outstanding effort by goalie Dave Hearn along with the fine teamwork of Steve Richards, Barry Swartz, Mike Vanderhurst and Jeff Wyant produced a very rewarding season. This was the fourth year in water polo for each of the seven starters.

Frosh-Sophers take time out to discuss strategy.

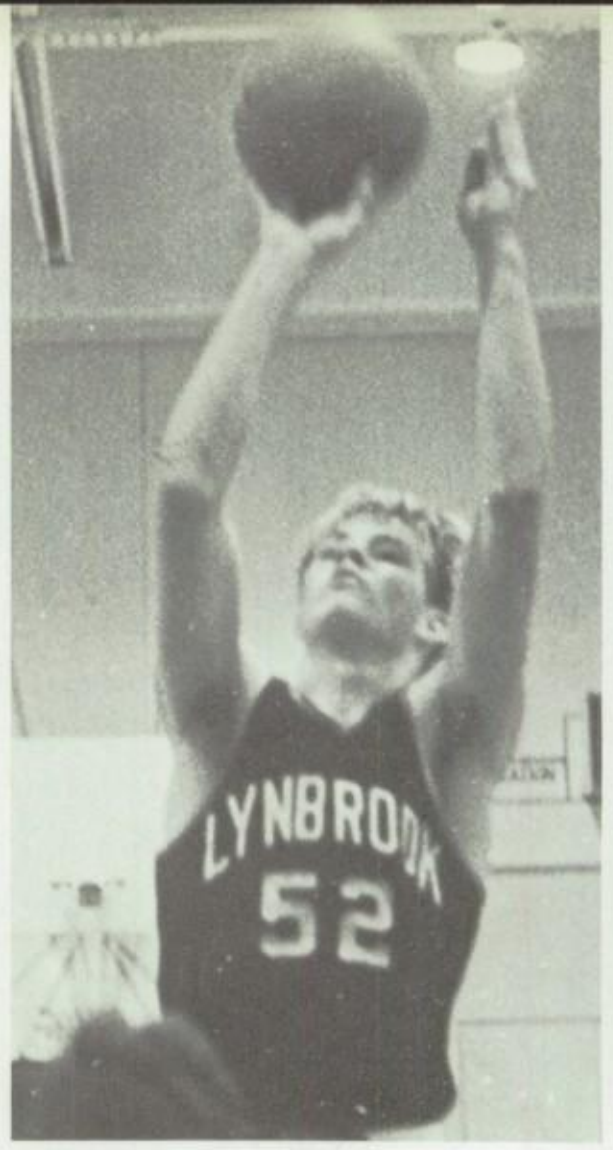
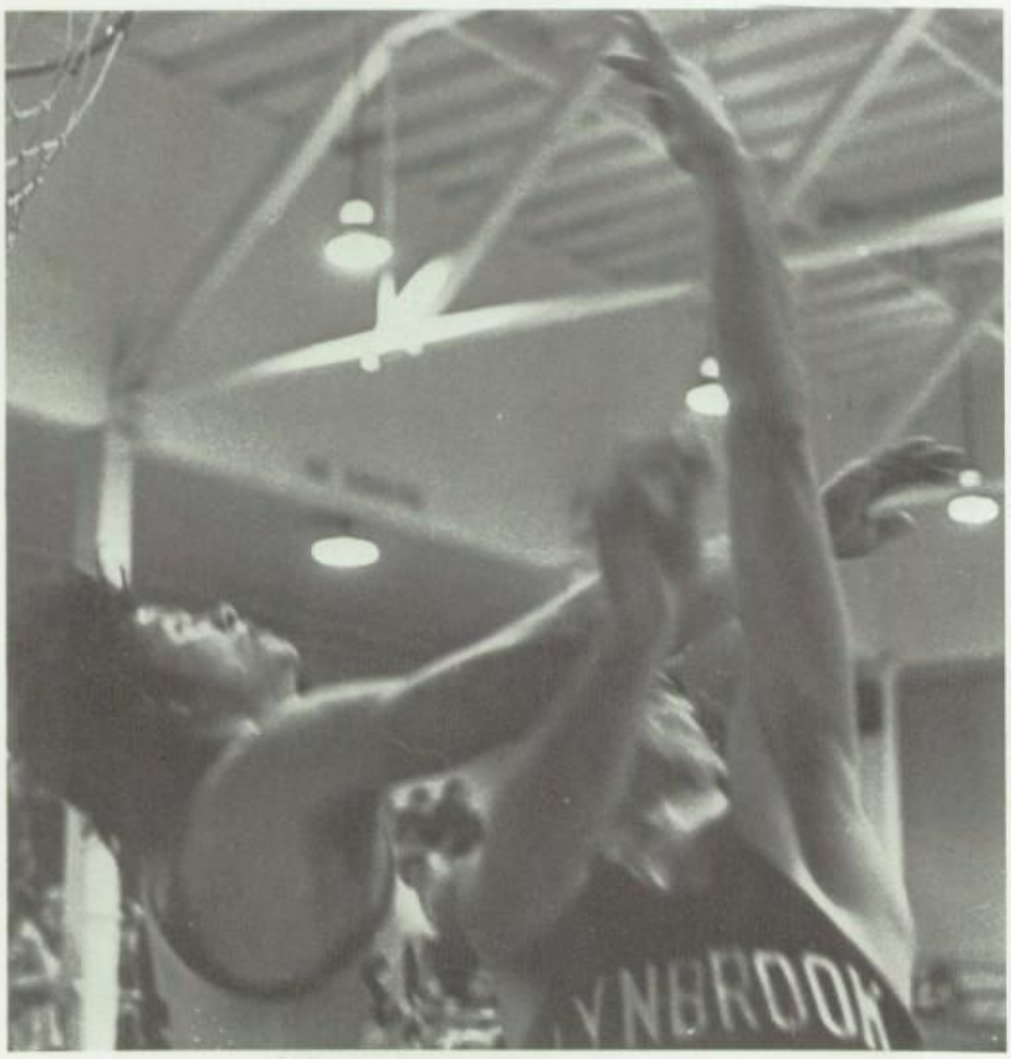
Menlo-Atherton never knew what hit 'em when Tim Kenworthy came on.



Avey adds two.



Russ Carlson puts in a not so easy lay up.

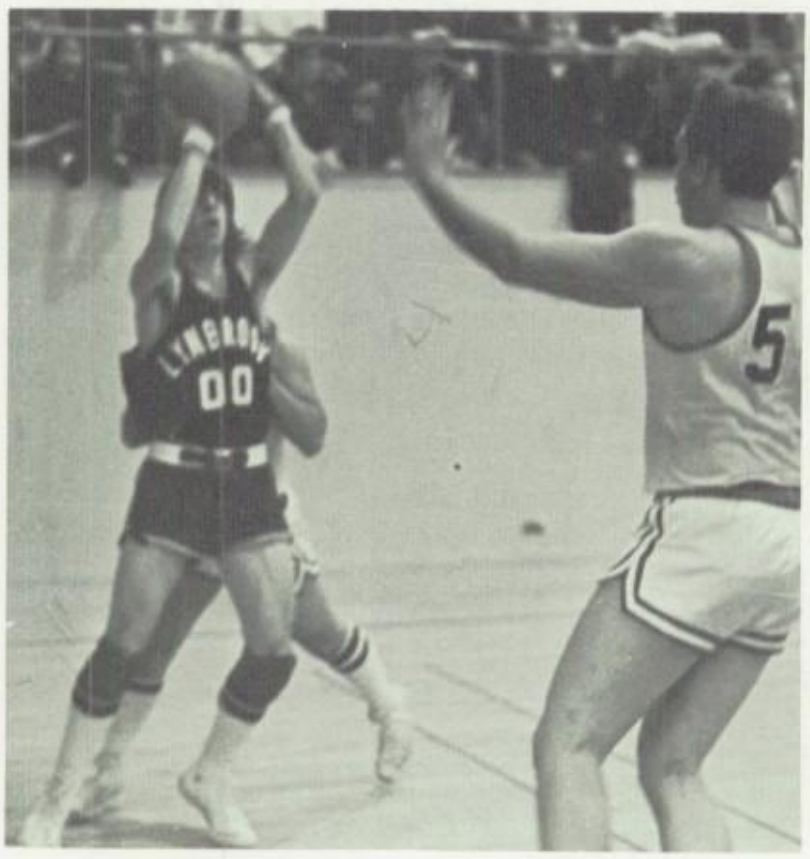
Greg Bird strains to control the tip.

Jerry Graham shoots one past.

First Viking Cage Champs

Teamwork and the terrific effort put forth by *all* the members of the Varsity Basketball team produced a truly outstanding season. From the start the Vikings were recognized as a superior team, placing second at the Awalt Tourney and capturing the Sunnyvale Tourney championship. During the league season the team compiled a fine 11-1 record and claimed Lynbrook's first ever Varsity Basketball Championship. They were a group of guys who never gave up, and this was witnessed in the 45-44 triple-overtime victory against Menlo-Atherton in the Regional finals. The team went on to place third on the CCS and closed the season with an excellent 24-5 record.

Tim Kenworthy was the team's and the league's Most Valuable Player as he was the third leading scorer in league history. Russ Carlson (First Team All-League) did a fine job rebounding. Jay Miller (Second Team), Keith Sanders, Dennis Lynch, Jim Vergin and Tim Demanty rounded out the team for an exciting season.



Tim Demanty in a tough spot.

JV Basketball

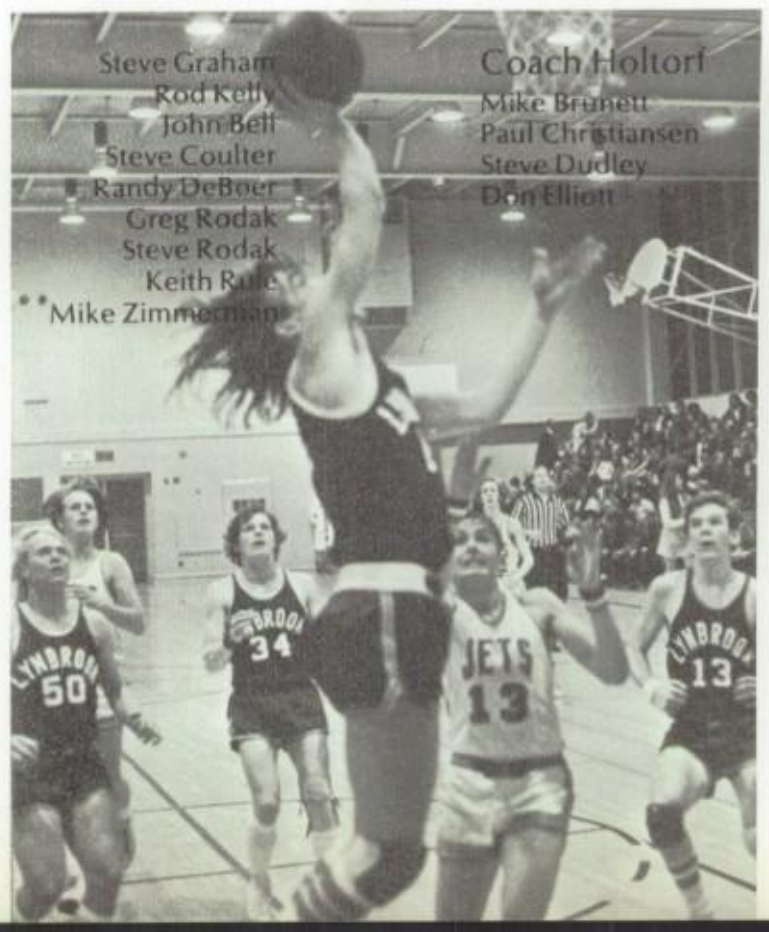
I wish they'd quit calling time outs; my spot on the bench keeps getting cold.

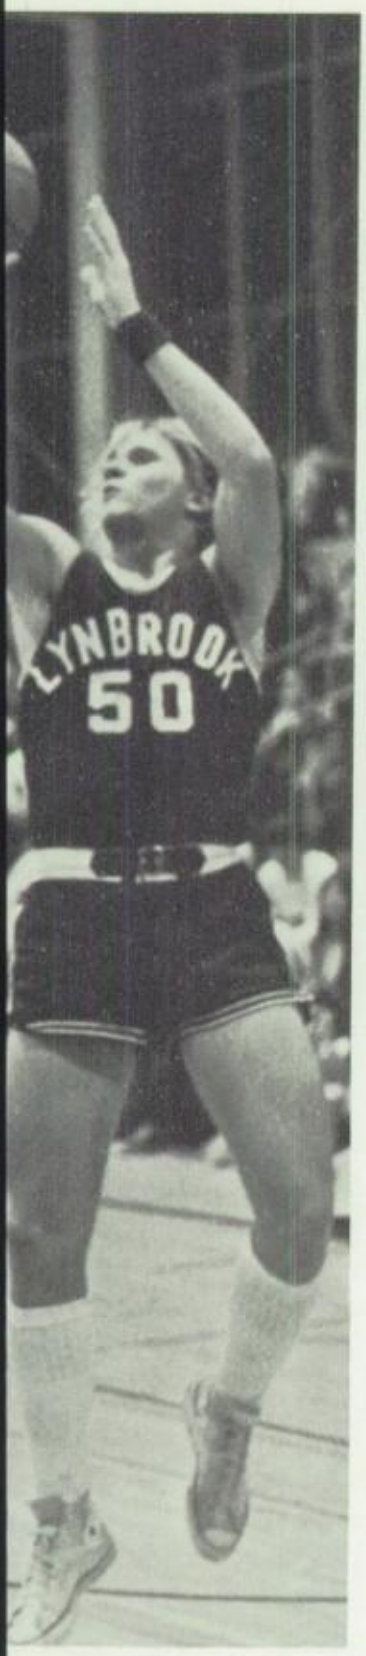
Mike Brunett drives forcefully.

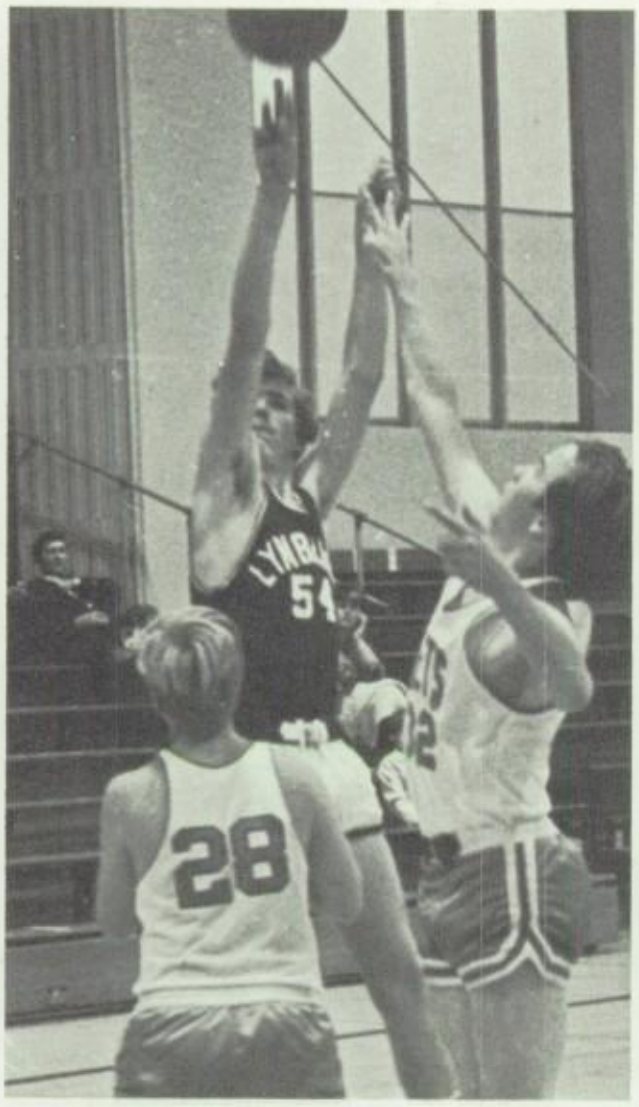
The Junior Varsity Basketball team ended a fine season with a 12-10 record overall and a 7-5 record in league action. The team had two smashing victories. One was a 36-25 thrashing of Cupertino, the tallest team in the league, and the other set a JV scoring record of 78 in a one point win over Homestead.

The team was led in scoring by Mike Brunett, Steve Coulter and Steve Dudley. Brunett proved to be a steady influence as he shot 56%, averaging 10 points a game, and was the team's overall statistical leader. Others aiding the cause were Rod Kelly, Paul Christiansen and Steve Graham.

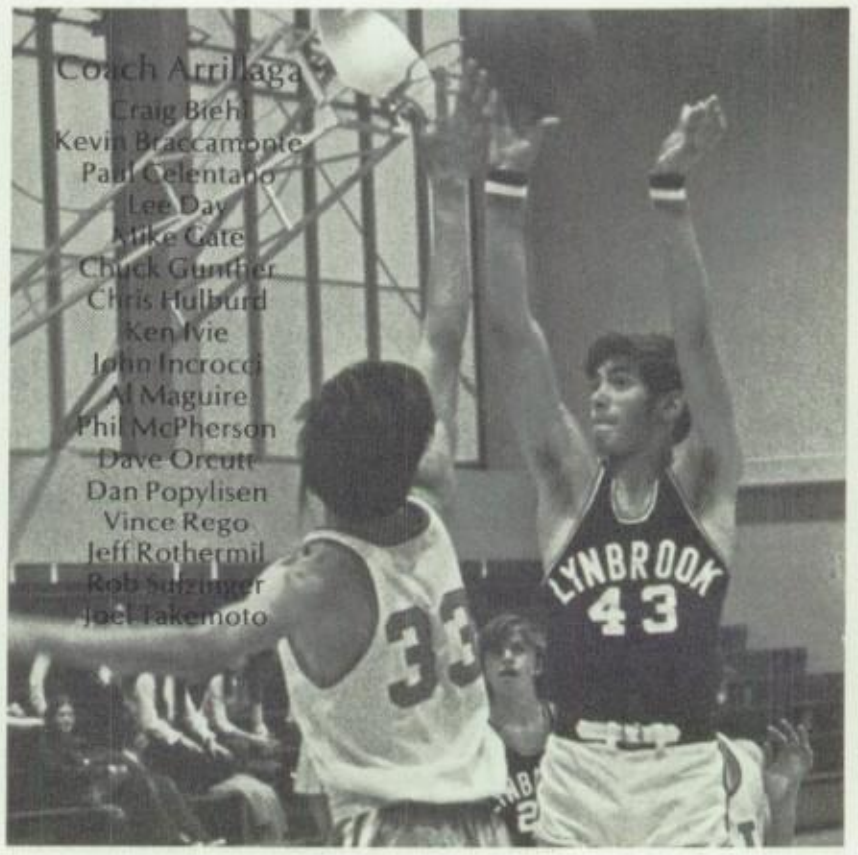
Paul for two





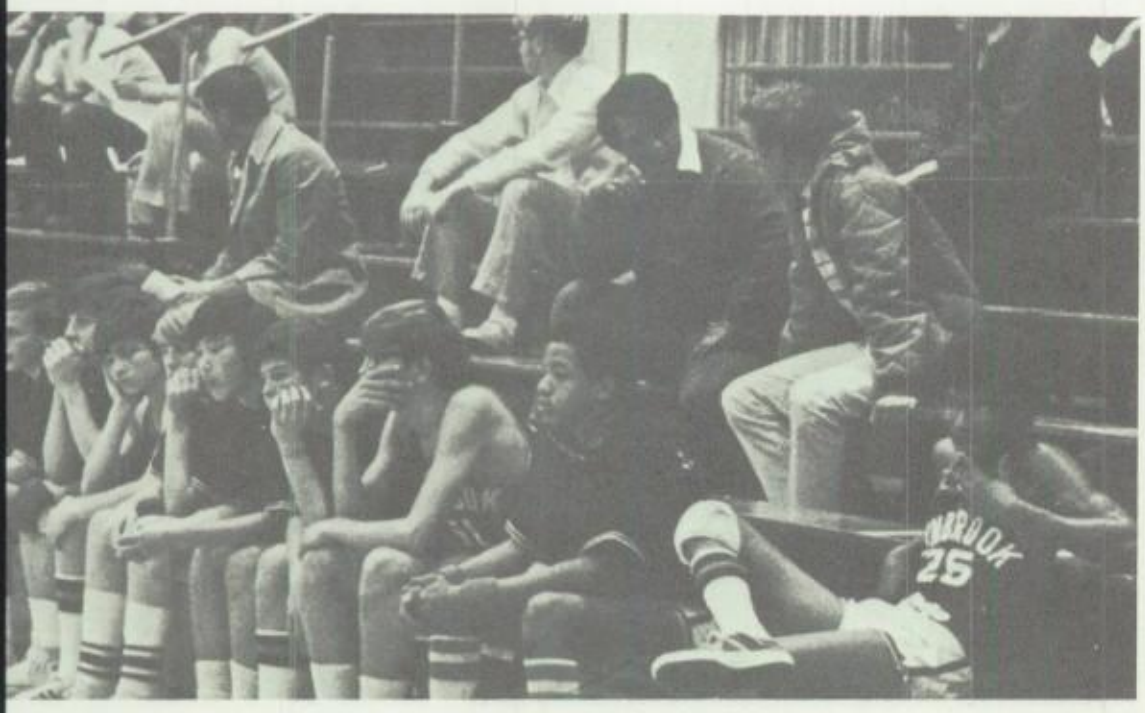


Jeff Rothermil hits from outside.



Frosh

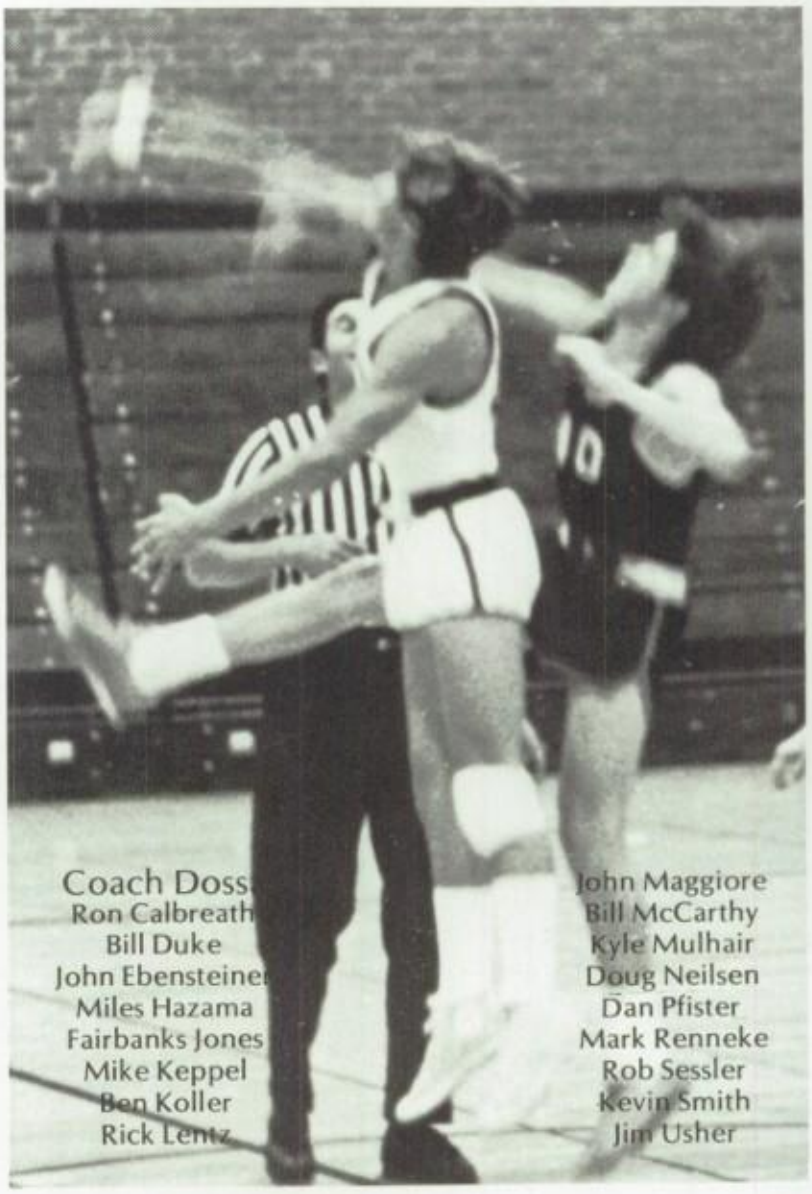
The Frosh Basketball team finished strong by winning 4 of its last 6 games to end up with a season record of 7 wins and 7 losses. The team was led in scoring and rebounding by Jeff Rothermil. In addition, fine contributions in scoring and defense were made by Al Maguire, Phil McPherson and Paul Celentano, together with strong rebounding by John Incrocci and Chris Hulburd. These and other team members should make valuable contributions to future Viking JV and Varsity Basketball teams.



The Freshman team watches patiently.

Mini-Vikes Dribble on

Ben Koller puts one up against Santa Clara.



Hey, Dossa, do you think we should score a basket for them just so they'll be in double figures?

CEES

With great pride and loyalty, this year's Cee Basketball team kept up with tradition and captured the league championship. In the double overtime victory against Sunnyvale, Rick Lentz scored in the final seconds to put the Vikes on top.

Senior Ben Koller (MVP All-League) averaged 12 points a game and inspired the team to eleven well-earned victories. Rick Lentz (First Team All-League) was the team's leading rebounder and did a fine job in all aspects of the game. Miles Hazama (H.M. All-League), Mike Keppel and Kevin Smith put forth an outstanding effort on the way to the championship.

DEES

Lynbrook's Dee Basketball team started off slowly in league play, but by mid-season they were playing as well as the best teams. This fine quality of play was shown in the one point, overtime loss to a very good Sunnyvale team. They played best in their final three games against three of the top four teams.

The team was led by All-League choice Keith Fry. Keith, averaging 12 points a game, was the floor leader and team captain. Neale Wilson, Ted Godard and Cliff Hall combined their talents in support of Fry.

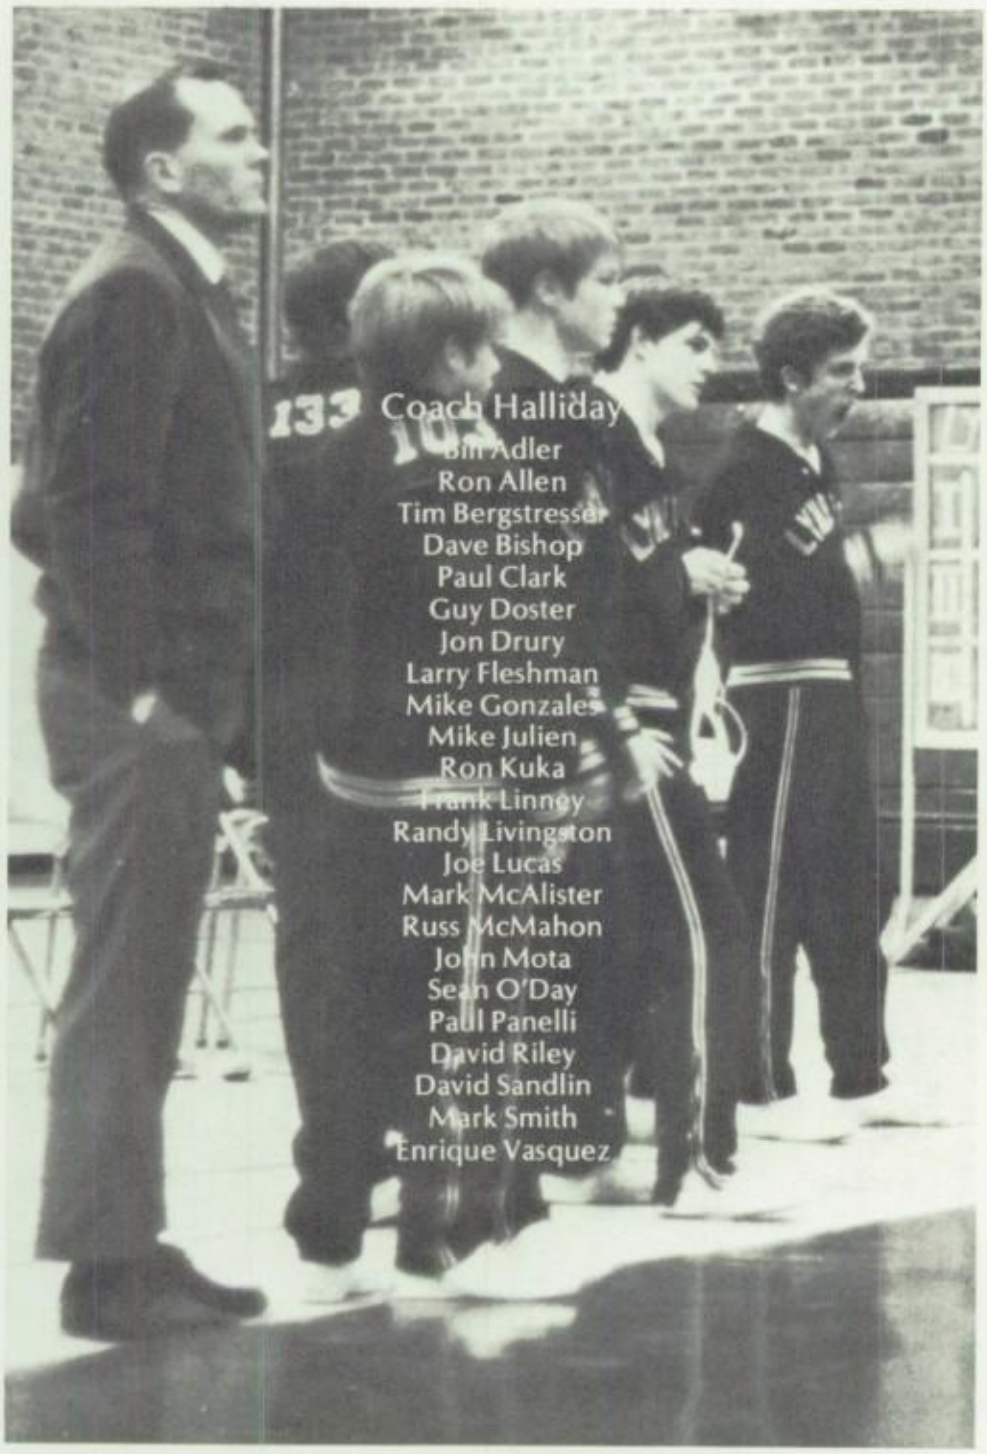
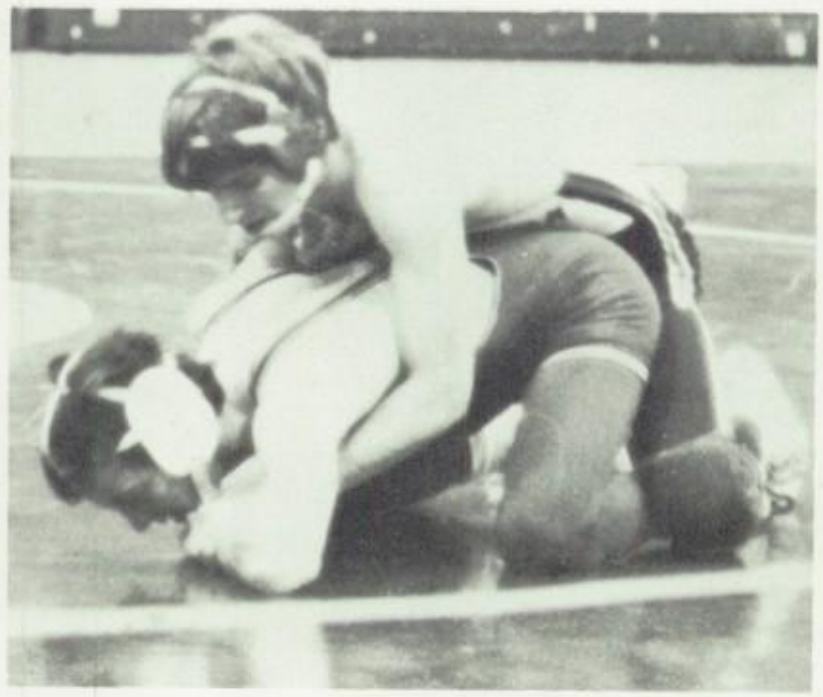
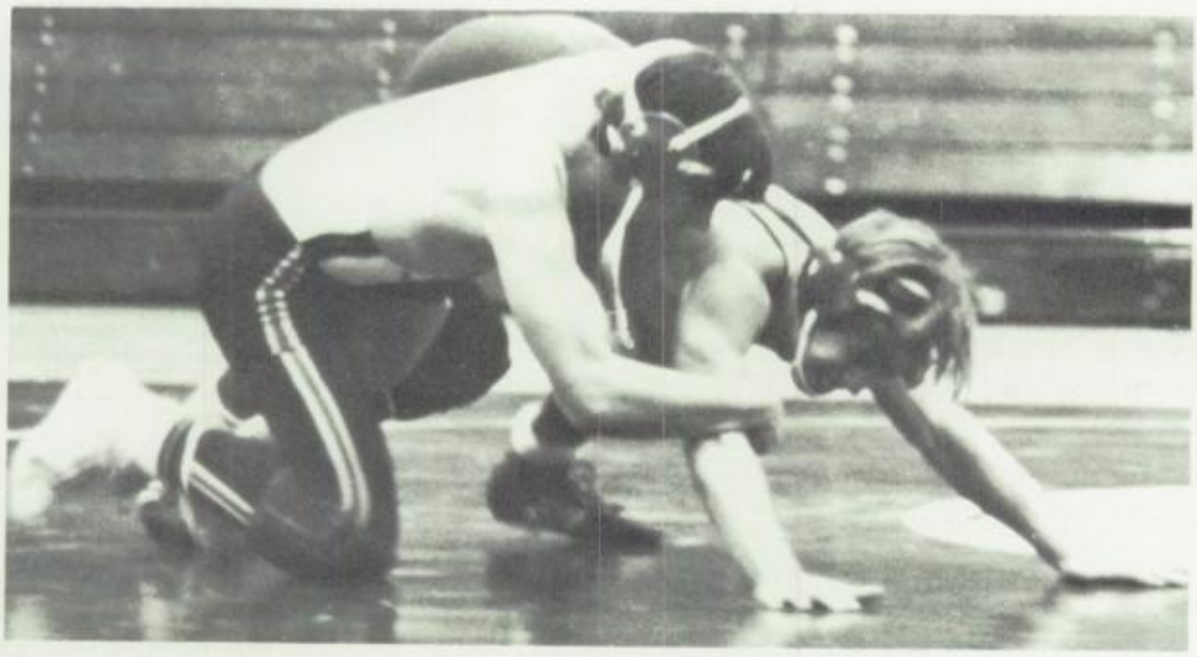
It was a successful year for Lynbrook's Varsity Wrestling Team with their 8-4 dual meet record, placing us in a tie with Petersen for 4th in the league. We placed third this year in the SCVAL Tournament with the following people placing: Champions were Jerry Bishop in Heavyweight, Bryan Petersen in 141's, and Dale Brunett in 130's. Second place holders were Dean Spieller in 148's, and sophomore Steve Ciffone in 122's. John Sutton placed 5th in 165's. The outstanding performer this year was Jerry Bishop with a 23-2 record, totaling 21 pins.





JV Wrestling

The JV Team had a good year too, with the following team members placing in the SCVAL Tournament: Junior Ron Allen was champion in Heavyweights; Seconds were John Mota in 136's, Mike Gaynor in 130's, Larry Fleshman in 115's, and Rod Rapson in 98's. Freshman Mark Smith placed 3rd in 106's allowing Lynbrook to place 4th out of thirteen schools in this exciting tournament.



Soccer

Goalie Phil Wilson kicks to safety.

Oh, well. You win some, you lose some.

Ed San Juan
Mike Suclina

Soccer is a team sport which requires a team effort, both by the players and the coaches. Spectators often fail to see the hard work put in by each of the players and only see the results: either victory or defeat. The offense was paced by the scoring efforts of forwards Bill McKeon and Bob Gendron. The defense was led by halfbacks Ken Waters and Bob Moore, and goalie Phil Wilson. The spirit and effort displayed by all three teams has made this a most exciting year of Lynbrook Soccer.

JV's regroup for another attack.

Coach Gantley watches attentively.

Moore and Steele team up for a steal.

Varsity Baseball

Dave Timoney shows his stuff.

"The pep talk"

Krump prepares for the pitch.

This year's Varsity Baseball team hoped to follow last year's team and capture the American Division Championship. With a lettermen infield of George Krumpotich behind the plate, Tim Kenworthy or John Martinson on first, Dave Schmidt at second, Jay Miller at short and either Rick Lentz or Kip Murphy at third, the defense was strong. An outfield of Bruce Tomasello, Mike Keppel, Steve Corner and John Schmidt added strength both at the plate and on the field. The pitching staff, headed by Tim Kenworthy and Dave Timoney, made it tough on opposing batters. Gary Ferguson, John Major and Mike Burnett aided Tim and Dave on the mound.

Dave Schmidt checks his swing.

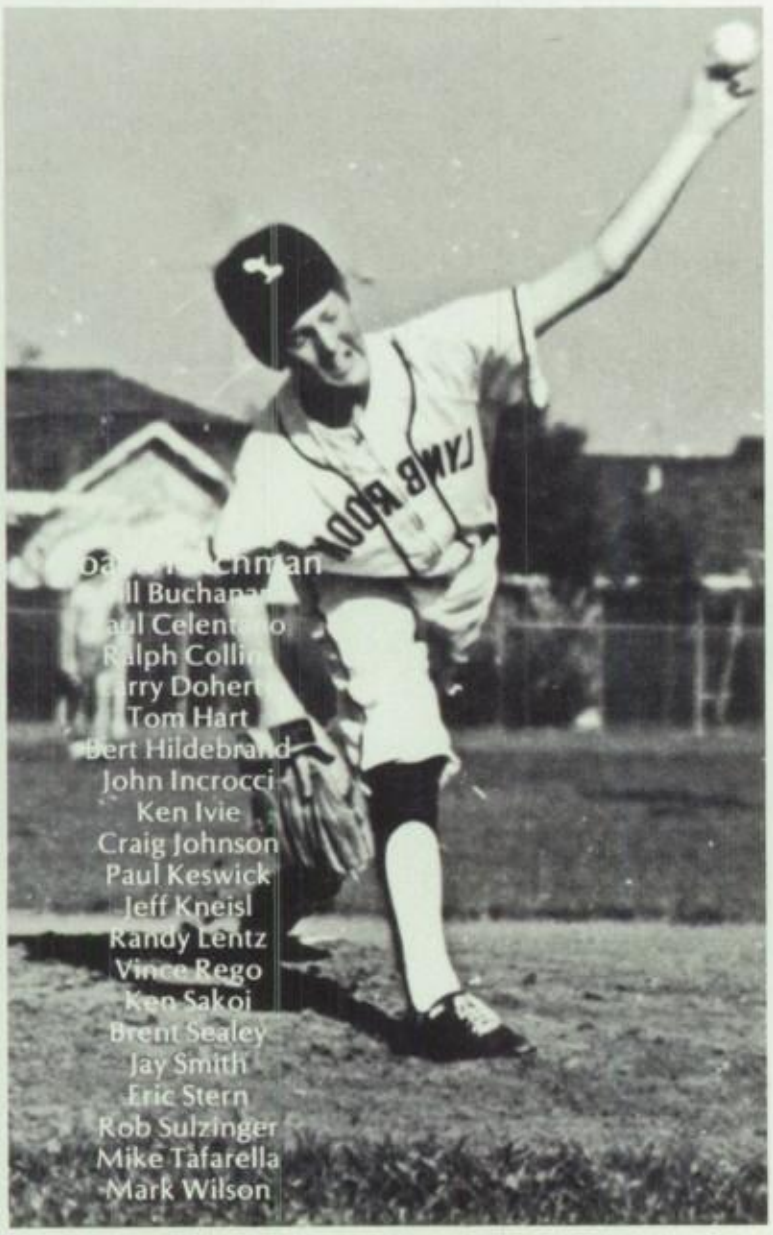
Another one for the vikes.

JV Baseball

This year's JV squad was led by an excellent group of sophomores up from last year's Frosh squad, and a strong contingent of juniors which added experience and stablization. Lynbrook set its sights on a league title. Heading up the strong squad were pitchers Earl Hanson and Mike Mitchell, infielders were Ron Calbreath, Mark Renneke, and outfielders were Mike Weiand and Brian Stuckey.

Ridin' the pine.

Rick Barto strides into the pitch.

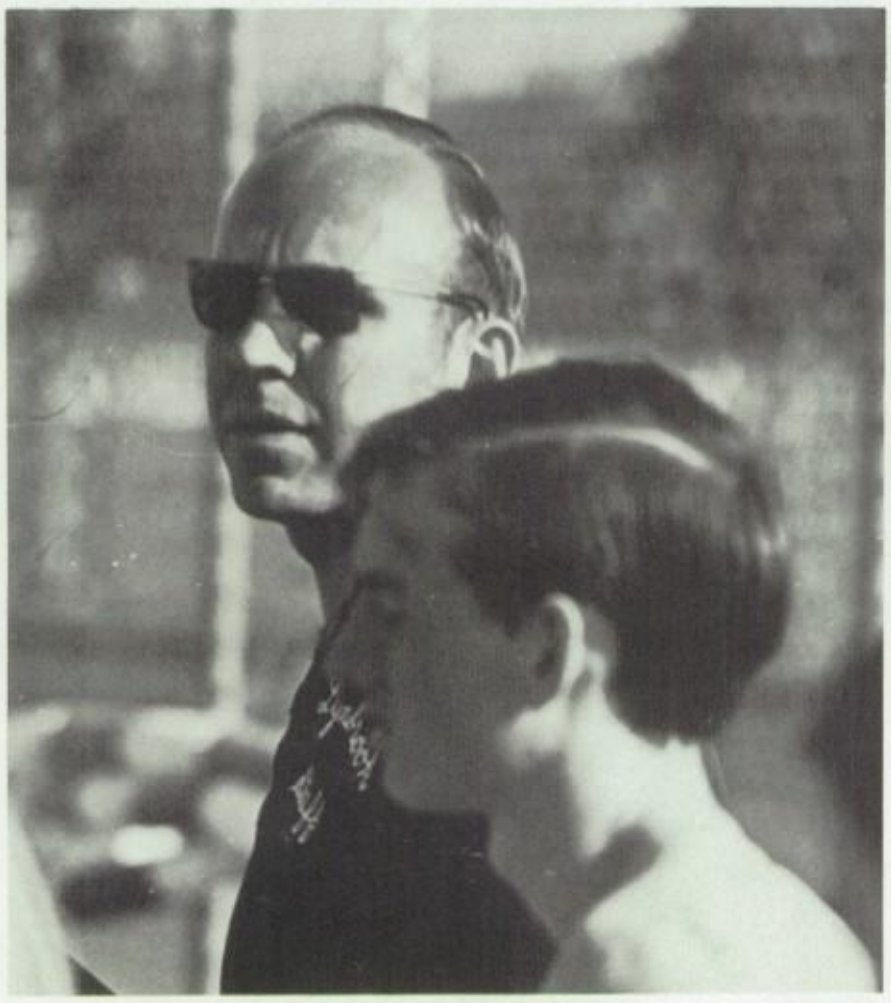


Frosh

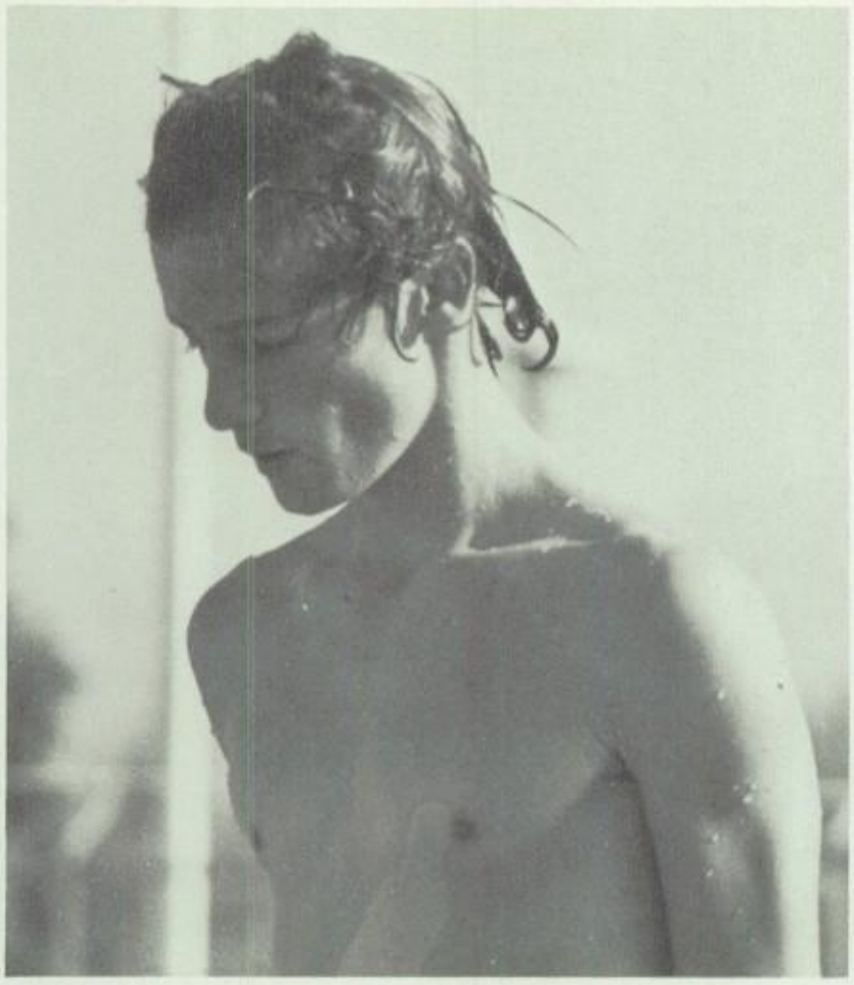
What can you say about Freshman baseball except that it's a great learning experience which prepares the members for JV and Varsity Baseball later on in high school? Well, you could say that the leading players this year were John Incrocci, first baseman, and Vince Rego, shortstop; with Paul Cilentano, Ralph Collins, Randy Lentz, and Mike Tafarella playing a fine game too.

Swimming

And they're off.



Gendron does it again!



"Swimmers, take your mark . . ."

Our swim team this year was a young one, with only seven seniors on the Varsity Team. They're a well-rounded team, with all of the members being proficient in more than one stroke. The team won its first three meets against Monta Vista, Sunnyvale, and Petersen; but when we confronted Cupertino we lost in the last relay. The team could have won that meet on a technical, but they chose to let Cupertino win. We're glad to see thay know there's a lot more to a sport than just winning at any cost. They're a hard-working team, and they've got a bright future facing them.

The intent look for victory.

Track

Track

Up, up, and away!

This year's Varsity Track team was a young team, topped mostly by sophomores and juniors, and sparked by a few outstanding seniors. Records were broken by Ron Allen in the discus, Greg Harvey and Mike Reeve in the long jump, Bill Napier in the high and low hurdles and the triple jump, and Craig Kennedy in the 2 mile. The Varsity team hoped to do well and finish close to the top despite their lack of age. The sophomore and freshmen teams expected to do well in their meets due to superior depth.

Tennis

Lynbrook's Varsity Tennis team felt the loss of 6 of last year's top 9 players as they started out slowly in their practice matches. Sophomore Bob Jacobson made an impressive showing in some of the earlier matches as did Jerry Graham. The doubles team of Kirk Rochester and Jay Turner proved quite effective. Others assisting these fine players were returning lettermen Dan Pfister and John Sutton, and JV's up from last year Don Nasoni, Don Whitebread, Kyle Fish and Mark Sanders, and transfer student Darrow Thom.

Golf

Lynbrook Golf Team? I didn't even know that we have one. Well, we do. The main benefit of being a member of the golf team is the experience of playing a game of golf under pressure. On Mondays and Thursdays the team practices at Spring Valley or Santa Teresa, and on Wednesdays they go to the driving range. Out star golfers this year were Steve Hodge, John Majiore, and Randy Wilson. This year's team did fairly well in their matches, but the year was more a learning experience than a winning one.

...and remember always to keep your eyes on the ball.

Administration

This yearbook will become more valuable as the years pass. In a sense, it is a personal diary of some of the most important years in your life. As your values change and your perceptions grow, you will be surprised that some students who are not big on the campus now will become the leaders of tomorrow. Conversely, you will wonder what ever became of some of the campus heroes and heroines of today. Perhaps the lesson is that those who continue to grow, building upon the foundation of a good high school education, will find success.

Good luck to you
in your continued growth.

Dr. William W. Monahan
Superintendent

Dr. Monahan listens attentively to an interested student.

Kendall P. Stanger, Principal

Principal's Message

The end of each school year is a time for looking forward and a time for looking back. This year we can do so with pride and hope-pride in our many accomplishments and hope in attaining goals of a long range nature. Students and faculty have worked together to bring about changes in our school community in an atmosphere of understanding and appreciation of the need for individual felexibility. This year's Valhalla is an excellent record of life at Lynbrook during 1971-72.

Kendall P. Stanger,
Principal

Vice Principal's Message

Congratulations to a group of people that have in one year, to a large extent, returned a feeling of commonality to our Lynbrook community.

The past year has brought many friendly, smiling faces to our campus. It has brought young people with new goals and ambitions. It has been a year of academic and athletic success and progress toward a realistic student government. The class of 1972 in its quiet way has been instrumental in our progress in these important areas.

Juniors:

Thank heavens it's summer.
I wish I'd graduated early so I wouldn(t
have to go through another year.
But I'll be a Senior,
So,
Maybe (just, maybe)
It's worth it.

Memories . . .

Freshmen:

I made it through my first year.
Next year,
I'm going to try out for cheerleader,
An my boyfriend's going to be on J.V. football.
I can hardly wait.

"Don't let yesterday
use up too much
of tomorrow"

Will Rogers

A yearbook is a lot like a play—
you can't see the hours
(or in a yearbook's case, months)
of work that go into production.
You only see the end result.
There are a few things I would have liked
to have seen
differently,
but overall,
I'm proud of the book.
I think it is as unique
as the people who created it.
And the people it was created for.

I would like to thank the yearbook staff
for all their hard work.
Each person added something—
an opinion, or a suggestion,
or a smile at the right time.
My special thanks to Elanna Stadfeld
for all her help and support.
to my friends
who put up with me during deadlines,
and to Mrs. Sirota
for her patience
every time I came into Typing late.
My gratitude also to Mr. J.R. Myers
for his faith in us.

Most of all,
thank you Mr. Holden.
It wouldn't have been without you.
"A friend is someone
who is making you do what you can,
while you are saying you can't."
(Ralph Waldo Emerson)
Believe me Rick, you did.

Debi Farnsworth
Valhalla Editor-in-chief

Pat,
It's someone who is really a wierd person. Don't let college bother you cuz you want make it at it. Be arya. (Ha! Ha! Ha!)

Sandy

Pat, we (miss) made it through. It's been a great year. We have a great summer. I wish you all the luck and happiness - love fun in the summer & school

Love Rochelle

THE Food

Well Pat I'd really couldn't have made it through freshmanitis without your "moral support" right! Good luck & only 2 to go but it has been fun. Don't let your sister get you down (what do freshmen know?) Have a boss-beer summer & college career. Enjoy yourself always.

Kathy Kodak

PAT, THANKS FOR CANDY YOU BUY ME

Rich

Pat,

Is a nice girl who is cool and can keep secrets. Good-Luck at college and Law school,

Luv

Diane

Pat: Have fun in the Summer but don't get caught. are you going to De Anza if you are it is a good school,

Gary

Pat

Being around with you this year has been nice, a little weird, definitely different. It was a great year. Let's not lose contact with each other.

One friend,
Linda

Pat, Well we really had a good time cutting and clear it have Duncan Rutherford and tied knowing her humanities class. I really could mean to "A" in this helped me SAVE that made the right keeping your grade for having such a good summer thanks for creativity in English class. I really enjoyed working with you. Jeff Smith
